STUDENT SPOTLIGHT

We are so proud to recognize several of our students for their outstanding achievements in this year's Tulsa County Bar Association student competition!

At the Tulsa level, Ransom J. and Lucas G. were selected for their exceptional work- demonstrating both thoughtful creativity and a strong understanding of the theme. Ransom placed 1st in the 1st grade level and Lucas placed 1st in kindergarten.

At the state level, we are thrilled to celebrate Madi M. and Nova M., who both earned Second Place at the Oklahoma Bar Association competition, Madi for 3rd grade and Nova for 1st grade! Their pieces stood out among submissions from across Oklahoma, reflecting not only artistic skill but also depth of thought and personal expression.

These accomplishments are a beautiful reminder of what can happen when students are given the space to explore, create, and share their voices. We are incredibly proud of each of them and grateful to be part of their journey.

Through a rich daily blend of **art, yoga, and curated literature**, students dive into hands-on **experiments**, sensory **exploration**, and creative problem-solving designed to meet them exactly where they are.
