19E DDGM FRATERNAL VISIT & FIRST DEGREE

DDGM Joshua David Bumpus filled in on a theatrical First degree to remember @ Quittacus Lodge. Four new brothers entered the craft. Craig McGregor, Mark Cloutier, Mark Estes & Deryk Meehan have become EA's! Congratulations new brethren!

Last Month's Lodge of Instruction (LOI) highlighted the comparisons between Marshall Arts & Freemasonry

Bro. Gil Costa brought us around the world introducing many Marshall Arts to us and the similarities between them and masonry. We were able to see the comparison between the two including the discipline, focus and respect that is needed to be involved in both crafts.

On Saturday February 24th RW Clifford Brighman was honored as a 50-year passed master. Wor Antonio Costa brought Noquochoke's traveling gravel home to help soothe the night.

From the East MUSINGS OF A DDGM From the West

Brethren,

The change from winter to spring is always a welcoming one. Spring is the season of vitality and renewal. There is no better time to reaffirm our commitment to the mission of caring for one another, our community, and striving to be better men. Make this an opportunity to reach out to brothers you have not seen. If you have not been to lodge in a while, it is an opportunity to visit and eventually learn more about your fellow brethren. Our 19th East and West districts have been growing in so many ways. We have lots of activities that build many friendships. Help community, and welcome new brothers into the craft. Your support is important. Freemasonry is not a tangible thing. It is a beautiful system of morality that is deep within our heart and soul. Always practice out of lodge these values taught within. Never stop showing up or reaching out to a brother is supporting your lodge. If able, always visit other lodges when they have degree work or events. There are no strangers in Freemasonry, only friends we have yet to meet.

R.W. Joshua D. Bumpus DDGM 19E Masonic District

Brethren,

I want to wish you all a HAPPY SPRING! Spring is a time for renewal, and a time of growth. I see Masonry coming into its Spring of Renewal. With many of the Lodges bringing in new candidates and becoming more active and engaging. Let's build on this energy and elevate Masonry in our hearts and our communities. Let's become visible, show the world that Masonry is alive and vibrant. Like the light of the sun drawing life from the ground. Let us become the light that will draw men to Masonry. Have a wonderful Easter and a great Spring!

Congratulations to the new Master Masons of George H. Tabor Lodge.

Hunter Berg, Chace Negalia & Louis Dutton!

Last Month's Lodge of Instruction (LOI)

After a last-minute cancellation of the speaker scheduled to give a presentation, a brave Worshipful Master stepped up to the plate to give a presentation on memorization.

Wor. Sparks gave a presentation on word association and memorization.

He listed 10 items... And asked the room full of masons to remember as many as they could. Then we recited them together. Most of the brothers remembered about half of the words. Then Wor. Sparks gave some detail to each word by telling a story. This helped solidify the words in their heads. Then he asked the brother to once again recite the words. Most brothers remember 7 to 10 of them.

Wor. Sparks noted that this could be a way to help study ritual. He has used this to help him, and he wanted to share it with the brethren for the same reason.

Congratulations to the distinguished brothers at Abraham H. Howland Jr. Lodge that were presented with their service awards for many years of dedication to the craft we love. Thank you for all you do.

MUSINGS OF A DDGM

From the East

Brethren,
Thank you to everyone who attended Lodge of Exemption last night!! It was truly a great night! All 10 lodges did an excellent job with the work of the evening, the third degree. The best part of the night was a full lodge room at the upstairs of the New Bedford Masonic temple. Imagine if we had full side lines every night? All it would take is all of us going out and supporting each other monthly basis. Think about that a minute. Masonry is alive and well in the 19th District!

From the West

Brothers of 19 District
Brethren of the 19th West District, I would like to congratulate you all on your collective efforts in supporting the district and the community. Your dedication and hard work in the past year has been a testament to the strength of our Fraternity. We are proud of the many achievements you have made, and we look forward to seeing you continue to grow and thrive. Your support is invaluable, and we are grateful for your commitment to the craft. Let us continue to work together to build a strong and vibrant Fraternity for the future.

Brethren,

It brings me great pleasure to see such an active district with so many enthusiastic brothers. We are Freemasonry in action. We are entering the season of giving, and I cannot thank you enough for all you give to your family, masonic brothers, lodge, and the community. We are practicing what Freemasonry is all about. Learning to be the best part of ourselves and helping others. I look forward to the thanksgiving meals and helping out. As always, the LOI, and our much-loved brethren are there for you.

West

My Brothers,

As we approach Thanksgiving and the holiday season, let us take a moment to reflect on the blessings in our lives and our duty as Masons to care for the well-being of others. This time of year, reminds us of the importance of extending a helping hand, spreading kindness, and strengthening the bonds of brotherly love.

Constant Improvement

The phrase "Making Good Men Better" is used often to describe Freemasonry. Each mason is on his own path to improvement. The ritualistic teachings of the craft are presented to every brother as they are entered, passed, and raised through the 3 degrees. It is up to each individual to apply those teachings to his own life. We should ever be seekers of light. We are all workers in the quarries of Freemasonry. We are all a much-needed part to the betterment and the future of our

My Brothers,

I hope everyone had a wonderful Holiday season. I first want to thank everyone for the support they have shown me as District Deputy. As we enter 2025, there are a variety of events that will be coming up. With the approach the 250th Anniversary of our Country's Independence, our Grand Lodge has planned a series of meaningful and celebratory activities to honor this historic occasion. These events will not only celebrate our nation's legacy but also highlight the deep-rooted involvement and enduring values of Freemasonry that have played such a significant role in shaping our nation's history. I'm also excited for the upcoming Masonic Family Fun Day, this will be a

Brethren

It is the holiday season. A time of spending time with family and friends and reflecting on the year. In the hustle and bustle of the day, take a bit of time to reach out to someone who may be lonely or going through a rough patch. Your call or visit is so needed to brighten someone's day. You will get a lot out of it as well. It is officially the season of giving.

West

Brethren of the 19th Masonic District,

As we enter this joyous holiday season, let us be reminded of our Masonic duty to focus on the well-being of others. This is a time to extend the light of Masonry, show compassion to others, and share brotherly love to those who may be in need, both within our fraternity and out in our communities. We are the light of Masonry, go and shine brightly!

Brethren,

Always remember we are someone's impression of Freemasonry. Throughout our masonic ritual we are taught the concept of brotherly love. We are taught to practice outside the lodge the values taught within. Freemasonry unites men of every country, race, and opinion. The idea of giving our brothers respect for their ideas even when we don't agree with them. When we restrain ourselves from making a negative comment or from interrupting because we feel we "know better" than another person, we exhibit Temperance, Fortitude, & Prudence. Whether we agree or disagree with those within or outside our fraternity from time to time, the principles of Freemasonry teach us to be tolerant of other

West

My Brothers,

Fraternally greetings!! As I write to you today, I come to realize we are standing on the precipice of a historic milestone—the 250th anniversary of the founding of United States of America. This occasion is not only a celebration of our nation's legacy but it is also an opportunity for us, as Masons, to reflect upon our deeply integral role in shaping the principles of liberty, unity, and brotherhood that have been the foundations of our nation. The Grand Lodge has planned an array of distinguished events to commemorate this historic anniversary, and I encourage all brethren of the 19th Masonic District to participate and engage in these gatherings. Grand Lodge has listed these events on the [Masonic.org](https://www.masonic.org) calendar page. Please take the time to review them.

Questions for the District Deputy Grand Master

19th East Masonic District

RW Joshua David Bumpus

1.) What are your thoughts on this experiment we call the District Newsletter (DNL)?

I think it is great to show our activities, get brothers together, & get information out there.

2.) Has this district or any other district you know of ever had a DNL?

I do not remember our district doing it before. I know of a few districts that have one.

3.) What are your favorite segments of the DNL?

Upcoming events & scenes around the district are my favorites also when a brother has a story of their travels.

4.) What would you like added or removed from the DNL?

I think if we added a page or two, we could make certain parts larger and easier to read. My eyes are getting older and larger print is easier.

5.) There are some reports of brethren not receiving the DNL. Currently, both DDGM email out through the DNL through the DDGM emails. It's also shared on FB. How can we improve the DNL reach?

There are some brothers without email addresses. Those would require a mailing or something of that nature. Please if you don't have an email on file in Mori or you've got a new email speak with your lodge secretary and get it updated. You're missing out on the DNL, Grand Lodge emails and many more information.

6.) Has there been any talks about expanding this to other districts in the state?

Yes, the Sr Grand Warden is a big advocate of it and has shown our around Grand Lodge as an example.

7.) Do you have any addition comments about the DNL you'd like to share?

I hope it continues long into the future, as well as the web page (19thMasonic.com) and the Facebook group (Facebook.com/19thMasonicDistrict).

Thank you Right Worshipful Bumpus for your time and input on the District Newsletter.

Questions for the District Deputy Grand Master

19th West Masonic District

RW Lawrence S. Santos

1.) How did you come up with the idea of a District Newsletter (DNL)?

This is something the district used to do when I first joined Masonry. It slowly went the wayside when Grand Lodge eliminated the "District Information Officer" position from the district resource team. I came to realize that there was too much information to share with the Brothers of the District and decided to include an information Officer to the District Team and to bring back the District Newsletter, which started off with 4 pages and has grown to the 16-page Newsletter we see today. Filled with all the pertinent information that Brothers need to keep well informed of the goings on in the district.

2.) Has this district or any other district you know of ever had a DNL?

There are several districts that have newsletters, not as nice as ours, but very informative, nonetheless.

3.) What are your favorite segments of the DNL?

Honestly, I love the photo section. Seeing how all the brothers are enjoying the multitude of events throughout the district, brings me joy.

4.) What would you like added or removed from the DNL?

I think that the publication is great as it is and can't really see anything that needs to be removed. I'd would welcome other things in the notice such as celebrations of Masonic Birthdays and Awards. Or perhaps a Member Focus, where some of our Older Brothers could be interviewed. and their experiences shared with the district

5.) There are some reports of brethren not receiving the DNL. Currently, both DDGM email out through the DNL through the DDGM emails. It's also shared on FB. How can we improve the DNL reach?

That's the real challenge of the DNL. There are Brothers who don't have emails, Facebook or even computers. Aside from mailing them, it is the most difficult things that Lodges and the District face. Member engagement.

6.) Has there been any talks about expanding this to other districts in the state?

No, each District does something different. What's good in one District may not be as good in another. We have a special thing, and I'd like to see us enjoy it until that time where change is needed.

7.) do you have any addition comments about the DNL you'd like to share?

My best comment is Thank You. To everyone who helps with the DNL throughout the District. To those who submit information to be published, to those who read it and give great constructive suggestions and to Brother Ian Harcourt who with great zeal took on the challenge to organize and publish the DNL, when asked to be the District Information Officer. I appreciate everyone's hard work with this important informational tool.

Thank you, Right Worshipful Santos for your time and input on the District Newsletter.

/G\ THE TRAVELING MAN /G\

*Every month we will be looking to feature a brother that has traveled outside the 19th District and tell their story.
(Email Bro.Ian.Harcourt@gmail.com with pictures & trip info).

ON TUESDAY FEBRUARY 18TH, 2025 BRO. HARCOURT, BRO. TONY RODRIGUES & WOR. STEVEN SPARKS VISITED BRISTOL LODGE IN ATTLEBORO MA FOR THEIR REGULAR BUSINESS MEETING. THEY HAD A FRATERNAL VISIT WITH THE DISTRICT DEPUTY GRAND MASTER RW MARIO CABRAL & PERFORMED A MASONIC SERVICE FOR DEPARTED WOR. MICHAEL OULLETTE.

Do you have a Traveling Man story that you would like to share with the district? YOU COULD BE NEXT... Please reach out to Bro. Harcourt @ Bro.Ian.Harcourt@gmail.com and share your story. You could be featured in the next Traveling Man!!

There was a large showing for the first regular business meeting proceeding the Masonic service of Wor. Michael Oullette. Dinner was amazing. It consisted of half a chicken, potato salad and a regular garden salad. More than enough food to feed any man's belly. Acting Master Bro. James Fontaine did a fantastic job against all odds filling in as master. He created and presented the "Master's Grip" awards to ten brothers who went above and beyond their regular duties with helping with Wor. Michael Oullette's masonic service. There was a Veterans medal given out during the meeting as well. RW Cabral discussed the upcoming events in the District and Grand Lodge. He also told a story. This was a tough meeting for the lodge. You could feel the emotion in the room as everyone continues to mourn Michael's passing to the Celestial Lodge above. The meeting ended and collation begins in the dining hall and in the cigar room. This was a great night, and I will visit again soon.

Bristol Lodge is part of the 16th Masonic District

located at 46 South Washington Street North Attleboro MA.
