This was a great night!

A message from DDGM 19th East

Brethren,

As I sit down to write this message, it is hard to believe how quickly time has passed. As we are in the season of thanks and honor, I am thankful for my brothers in Freemasonry and all those who have served our country. I am honored for the opportunity of serving our Grand Master and representing him in our district. December 8th will be my Last Official Visit @ George H. Taber lodge. We still have much work to do. We will be delivering meals to the needy on the Wednesday before Thanksgiving and could use your help. We will be gathering at 4:30PM at the New Bedford Lodge. Our lodges will also be volunteering to ring the bells for the salvation army. Thank you for your continued work. Together we mentor and work as builders to strengthen each other and our community. Through the teachings of our great fraternity, the lessons are all around us. May we ever apply those lessons to our dealings with others and our everyday lives. Thank you for all you continue to do for the betterment of masonry, our communities, your family, & the world around us. God bless each and every one of you and our beloved Fraternity.

Fraternalily Right Worshipful

Joshua David Bumpus

A message from DDGM 19th West

Brothers of the 19th Masonic District,

I want to wish each of you and your families a warm and happy Thanksgiving. This season gives us a chance to pause, reflect, and truly appreciate the blessings in our lives. I want to ask every brother to remember those in need and to share our blessings by extending the hand of charity at every opportunity. Be the shining light of Masonry in our communities.

I want to thank everyone who attended my Last Official Visit. Your presence, your support, and your Brotherly love meant more to me than I can express. To those who couldn't make it, know that you were missed and that I appreciate all of your support during my time as District Deputy Grand Master of our 19West. Now as we head into the holiday season, may your homes be filled with laughter, good food, and the company of those who you love. Travel safely, enjoy the moments that matter, May the spirit of gratitude continue to fill your hearts, and may the Grand Architect of the Universe guide us in our work and in our lives.

Happy Thanksgiving, my Brothers!

Fraternally,

Fraternalily Right Worshipful

Lawrence Steven Santos Jr.

Greetings from the DNL Team

Greeting lovers of this amazing craft we all a part of! The holidays are right around the corner. Thanksgiving is a special time of year. It allows us to take the time and reflect on all the good that has happened in our life and give thanks. We must also remember our obligations to practice charity. This comes in many forms, charity to ourselves, our family, our brothers and our community we live in. As a district will once again be delivering fully cooked Thanksgiving meals to families in need on Wednesday November 26th (The day before Thanksgiving). Please, if you can help with these efforts and support Quitticus lodge, do so. There is nothing more rewarding than delivering food to a family that would have otherwise gone hungry. Thank you, to all my family members in freemasonry. I truly consider you all the brothers I never had. Happy Thanksgiving to you and yours! "Long live the 19th Masonic District!"

PLEASE READ!!

Greetings Brethren,

I would like to reach out to you to address a growing concern among all of us. Some of our brothers and their families rely on Federal resources for income and benefits. This may include our elderly Brethren or those with young children receiving SNAP food assistance and WIC among others. Some of our brethren may even be government paid employees. Due to the recent government shutdown those affected will not be receiving this income in the form of weekly paychecks and benefits that they and their families rely on. In addition, several Veteran's services will also be made unavailable. If you have been or expect to be affected by these reductions in income, benefits and services, please reach out. Working with our Lodges, the Fraternity and our Community partners, we will do whatever we can to reduce the impact of the loss of services to you through any means available to us. It is my hope that our government representatives will come to an agreement before this relief becomes necessary, but we stand ready to contribute as liberally as we can to the relief of our worthy Friends and Brothers should the need arise.

Masonic Leadership has a New yet familiar face

MASONIC LEADERSHIP INSTITUTE OF MASSACHUSETTS

The Masonic Leadership Institute (MLI) is sponsored by the Grand Lodge of Masons in Massachusetts to strengthen leadership within our Fraternity and to contribute to the personal growth of Massachusetts Masons.

The MLI employs MLI graduates and leadership development professionals to strengthen leadership and interpersonal skills important at Lodge, work, and at home.

The program is open to all men belonging to a Massachusetts Masonic body, but the class size is limited. Masonic bodies are encouraged to sponsor MLI attendance for their promising officers.

THE IMPORTANCE OF LEADERSHIP

Leadership in our Fraternity is essential to preserving its values, inspiring growth, and guiding the Entered Apprentice of today to become the Master Mason of tomorrow. Masonic leaders are not defined by authority, but by their commitment to service, wisdom, and moral integrity. They lead by example, fostering unity and promoting the tenets of Brother Love, Relief, and Truth.

Strong leadership ensures that the teachings of Freemasonry remain relevant and impactful in today's world. By mentoring others and upholding traditions, Masonic leaders cultivate a legacy of character and purpose. In so doing, they not only strengthen the Craft, but also serve as beacons of light within their communities.

Leadership is as important now, as it was then. Arguably, even more so now. Are you ready to LEAD?

A MESSAGE FROM THE GRAND MASTER

Nearly 30 years ago, an idea was born to help usher in a new generation of leaders for our Beloved Fraternity. Since that time, The Masonic Leadership Institute (MLI) has broadened the variety of working tools available to those Brothers who have attended, participated in the projects, and completed the work.

The MLI has appeared in a variety of forms since those first days, but the mission of the Institute has never wavered: to offer programs that challenge and enrich those who take part and cultivate their leadership skills not only to be brought back to their Lodges, but their offices, places of worship, and all other areas of their lives.

"Tell me and I forget, teach me and I may remember, involve me and I learn." These words of Right Worshipful Brother Benjamin Franklin embody the goals and aspirations of the MLI best. This is not just another seminar. This is a chance to immerse yourself in leadership skill training and collaborative work. This is a chance to build teams and accomplish tangible things for you, your Lodge, and the Fraternity.

This is your chance to Learn. Grow. Lead.

I hope you will apply for the upcoming MLI class and use your skills to help lead Masonry in Massachusetts!

Cordially and Fraternally,

George F. Hamilton
Grand Master

THE MISSION OF THE MLI

To deliver state-of-the-art leadership curriculum that includes classes, exercises and projects that cultivates the leadership skills of the participants

MLI COMMITMENT

Two full weekends (January 23 - 25, 2026 and October 23 - 25, 2026, plus a one day event on May 30, 2026) of learning, participating in small and large group activities, and broadening your potential. You will work closely with your team and advisor throughout the course.

This is a fun, fast moving program that requires active participation and commitment from each class member.

WHAT IS THE COST TO ATTEND?

The tuition for the MLI is \$995.00, \$500.00 of which will be due upon your acceptance, with the balance payable at the start of the first weekend in January.

This program offers a unique opportunity for local Blue Lodges and Appendant bodies to help shape the men who will be the next generation of leaders. It would be advantageous to each one to identify their bright and upcoming leaders, encourage them to apply, and offer whatever resources they may have available to sponsor their tuition.

The investment in their training today will pay dividends for your organization for years to come.

HOW DO I APPLY?

Scan the QR code or go to:
massmasons.org/programs/mli

WHY SHOULD I ATTEND THE MLI?

By embracing and utilizing what is taught at the MLI, you will:

LEARN.

Even if you are already a leader in your Lodge, your place of Worship, even your workplace, there are always new skills and methods to learn! In the collaborative environment of MLI, you will garner new skills from the facilitators and fellow attendees. They may even learn something from you!

GROW.

In addition to growing your knowledge base of leadership skills during the course, you will grow your circle of friendships, have new people to work together with, and experience first-hand the incredible value that comes from the lessons of the beehive!

LEAD.

There is no telling where the lessons and projects you take on in the MLI will be of value. Whether you are working your way through the Officers' Line in your Lodge or trying to try gather what that missing X-factor is to get your next promotion, the MLI will give you skills that will help you organize and lead a team, a project, or even your every day life.

WHAT DOES IT TAKE TO BE A LEADER?

INTEGRITY	VISION
COMMUNICATION	EMPATHY
ACCOUNTABILITY	SERVICE
ADAPTABILITY	EMPOWERMENT
CONSISTENCY	HUMILITY

Do these sound familiar?
Though these are not the only qualities it takes to be a leader, the qualities that make a great leader are the same that make a great Mason!

A Proclamation

The year that is drawing toward its close has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary a nature that they cannot fail to penetrate and even soften the heart which is habitually insensible to the ever-watchful providence of Almighty God.

In the midst of a civil war of unequalled magnitude and severity, which has sometimes seemed to foreign states to invite and provoke their aggressions, peace has been preserved with all nations, order has been maintained, the laws have been respected and obeyed, and harmony has prevailed everywhere, except in the theater of military conflict; while that theater has been greatly contracted by the advancing armies and navies of the Union.

Needful diversions of wealth and of strength from the fields of peaceful industry to the national defense have not arrested the plow, the shuttle, or the ship; the ax has enlarged the borders of our settlements, and the mines, as well of iron and coal as of the precious metals, have yielded even more abundantly than heretofore. Population has steadily increased, notwithstanding the waste that has been made in the camp, the siege, and the battlefield, and the country, rejoicing in the consciousness of augmented strength and vigor, is permitted to expect continuance of years with large increase of freedom.

No human counsel hath devised, nor hath any mortal hand worked out these great things. They are the gracious gifts of the Most High God, who while dealing with us in anger for our sins, hath nevertheless remembered mercy.

It has seemed to me fit and proper that they should be solemnly, reverently, and gratefully acknowledged as with one heart and one voice by the whole American people. I do, therefore, invite my fellow-citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next as a Day of Thanksgiving and Praise to our beneficent Father who dwelleth in the heavens. And I recommend to them that, while offering up the ascriptions justly due to Him for such singular deliverances and blessings, they do also, with humble penitence for our national perverseness and disobedience, commend to His tender care all those who have become widows, orphans, mourners, or sufferers in the lamentable civil strife in which we are unavoidably engaged, and fervently implore the interposition of the Almighty hand to heal the wounds of the nation, and to restore it, as soon as may be consistent with the Divine purposes, to the full enjoyment of peace, harmony, tranquility, and union.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this third day of October, in the year of our Lord one thousand eight hundred and sixty-three, and of the Independence of the United States the eighty-eighth.

-Abraham Lincoln President of the United States
