Congratulations to the new Master Masons of George H. Tabor Lodge.

Hunter Berg, Chace Negalia & Louis Dutton!

Last Month's Lodge of Instruction (LOI)

After a last-minute cancelation of the speaker scheduled to give a presentation, a brave Worshipful Master stepped up to the plate to give a presentation on memorization.

Wor. Sparks gave a presentation on word association and memorization.

He listed 10 items...And asked the room full of masons to remember as many as they could. Then we recited them together. Most of the brothers remembered about half of the words. Then Wor. Sparks gave some detail to each word by telling a story. This helped solidify the words in their heads. Then he asked the brother to once again recite the words. Most brothers remember 7 to 10 of them.

Wor. Sparks noted that this could be a way to help study ritual. He has used this to help him, and he wanted to share it with the brethren for the same reason.

MUSINGS OF A DDGM

Brethren,

From the East

Thank you to everyone who attended Lodge of Exemplification last night!! Was truly a great night! All 10 lodges did an excellent job with the work of the evening, the third degree. The best part of the night was a full lodge room at the upstairs of the New Bedford Masonic temple. Imagine if we had full side lines every night? All it would take is all of us going out and supporting each other monthly basis. Think about that a minute. Masonry is alive and well in the 19th District!

Brothers of 19 District

From the West

Brothers of the 19th West Masonic, I want to compliment you all on your collective achievements! Your dedication to member engagement, community outreach, and charitable endeavors shines brightly, illuminating the lives of those we serve. I want you all to know that through your tireless efforts, we have extended our fraternal bonds and rejuvenated the hearts of many brothers over the last few months. Your commitment to spreading light in our community is a testament to the timeless values of Freemasonry. Let's continue to inspire one another, ever guided by the principles of brotherly love, relief, and truth. Together, we are architects of positive change, leaving a mark of compassion and goodwill on the world. I am proud of you all and look forward to seeing what you accomplish in the coming months!!

/G\ THE TRAVELING MAN /G\

1.) Wor. JP Masella and Bro. Ian Harcourt took a vacation to Atlanta Georgia. We were met by RW Jan Giddens (previous Grand Master of Georgia). MW Giddens gave us a tour of the Atlanta Masonic Center. This building houses Gate City Lodge No. 2, Scottish Rite, York Rite, Fulton Lodge & Piedmont Lodge. This building houses a Masonic Museum, two lodge rooms, a Scottish Rite Theater & a beautiful York Rite lodge room. On Tuesday night, Wor. Masella & Bro. Ian Harcourt sat in on Gate City Lodge No. 2 meeting. The ritual was slightly different, and they had a great presentation. We were able to give the brethren pins, coins and sticker from our district. On Thursday we took a road trip and ended in Savannah GA. We stopped at Solomon's Lodge No.1 the oldest lodge in all of Georgia. Thankfully the officers were there rehearsing for a third degree they would have the following Saturday.

2.) Jay Lewis, Jessie Carvalho & Ian Harcourt visiting Plymouth Lodge (District 18) on Monday April 15th, 2024. This was a Fraternal visit by RW Lawrence P. Friedman. RW Feideman gave presented 50 year past master award.

Over 1,000 brothers from New York, Delaware, Massachusetts & New Jersey were in attendance.

3.) Paul Vento, Jesse Carvalho and Ian Harcourt attended the famous craft first degree put on by Garibaldi Lodge No. 542. Nine candidates were entered into Freemasonry as brothers that night. Many dignitaries from all over New England were in attendance include the Grand Master of New York MW Richard J. Kessler.

DISTRICT NEWS

Helios

Henry W. Davis

Freemason, a term and title we should never hold lightly, but near and dear to our hearts. I want you to really think of its meaning or origin. Yes you could say like most do that we come from a lineage of ancient stone masons, free in terms of their ability to travel and receive wages. But really think of it my brother. What as seekers of the lost do we most desire? What do we need? What does mankind need? PHREE MESSEN a term derived from the Egyptians simply meaning "Children of light", "sons of light". We are the sons of the light! We should never overlook this great and distinct name for it describes us perfectly. We are charged to spread light, knowledge, and truth with all of mankind. To improve ourselves within masonry to be of better service to our deity, country, family, and fellow man. Masonry has fallen on dark times, not because we are being hunted like witches as was previously the case but a darkness of our own doing. The ancient and honorable institution has become to an extent more or less a dinner club. A place where brothers go to have a meal and conduct a business meeting. Looking at the clock the whole time waiting for it to end. There was a time where lodges were full of education, progress, and LIGHT! We must get back to those times, where we stood as just and upright men, holding our obligations dear to our hearts, spreading the light of FREEMASONRY with all of mankind. We are the sons of light for heaven's sake! We must not let ourselves be destroyed by our own hands. We must spread the love of all mankind, and the knowledge of philosophies of late antiquity and the ancient mysteries! We must help educate each other and mankind on the liberal arts and sciences, bringing back beauty to our architecture! We must promote tolerance in mankind's actions towards each other. We must bring back truth and fairness in all dealings, but most of all we must bring MEN back into society, honest, industrious, and educated men. We are in a time of weak men, and it will only get worse. Mankind has lost faith in the Supreme Architect, and so he has lost faith in us. Mankind no longer lives in fear of deity, nor does it live by morals or act justly. Let us as Masons, as children of the light be the change. We must spread the light, aiding mankind. Bringing up young men and making them better men. To be of better use to all of mankind. Everything has an end, don't let this be ours.
