**I'M THANKFUL FOR
HOPE4HEALING BECAUSE...**

--"Hope4Healing has provided for my family to have a place to belong. My friendship partner, has become a family to me and my family after we had to seek asylum in the U.S."

--"I can't imagine doing ministry without Hope4Healing! As a pastor of a small rural church, Hope4Healing helps us care for others when normally we would have had no options to help them."

--"Hope4Healing helped me to pursue college in the fall by getting my finances in order."

--"The team at Hope4Healing is compassionate, they listened to my story through my tears, and never judged me. This was the beginning of my healing process. I'm so thankful for their help. My future is no longer hopeless."
