The fact that the official website of Arakan Rohingya Salvation Army was registered 5 months prior to the deadly attacks of October 2016 help to prove that there is a systematic and well-planned conspiracy backed by Saudi Arabia.

If you think, this is just a client who runs the website, then you are mistaken. All the official Audio Messages by ARSA goes to Rohingyas via the official channel built by the same Arakan Times Youtube Channel which is run by this Saudi National :
