Claims

How I was recruited:

When I was at home in the evening of 22.8.2017, Nru Ma Mauk (25 yrs) from Chut Pyin village came to our village and called our villagers for something to discuss in Chut Pyin village. When we went there, there were about 100 Bengalis from Ahtet Nan Ya, Auk Nan Ya, Bellami and Nilin Baw villages. Rawfis (who already had training by ARSA) told us to join the attack to make Buthidaung, Maungdaw and Rathedaung townships to be a separate Islamic State. Moreover, in the morning of 23.8.2017, when we went to say prayers in the village mosque, Mawlawi [Imam] Esuop and Rawfis (32 yrs) said that ARSA would lead the attacks and we all need to join with them and he ordered us to be ready. They said if we did not join, we would be executed in accordance with our Islamic religion. He also said that Bengalis from other villages would also join the attacks. Mawlawi Esuop is the Islamic leader of our village Mosque.

How we prepared to attack:

Around 11:45 pm on 26.8.2017, about 30 Bengalis led by Mawlawi Esuop and Rawfis came to us and told us to come and fight together with them, or die. I, and Sayed Amin (35 yrs), (F) Matslam, and Eman Hu Saung (37 yrs), and Addulah Min (30 yrs), (F) Sawlim, and Aryu (40 yrs), (F) Matslam, and Maw Go Ar Mauk (48 yrs), (F) Kasim (already arrested prisoner), and Sayed Dullah (20 yrs), (F) Eman Hu Saung (already arrested prisoner). We all had swords or heavy sticks. We arrived at Chut Pyin village (1 mile away from our village) around 2:00 am of (27.8.2017). We saw there were about 100 Bengalis from Chut Pyin lead by Saltar and unknown Mawlawis, as well as Bengalis from Nilin Baw and Auk Nan Ya villages lead by Mawlawis from their villages.

How we attacked the security forces at Chut Pyin Police Outpost:

Around 3:00 am, on 27.8.2017, Saltar from Chut Pyin village approached the police outpost and attacked with 2 bombs. When policemen from the outpost chased after him, we (about 100 Bengalis) ambushed, surrounded and attacked them shouting 'Allahu Akbar'. Then, some who already had training from ARSA attacked them with guns and handmade bombs. Policemen also shot back. I saw some Bengalis get shot. We moved back into Chut Pyin village, and then to Bellami village. I know Attah Urah Man (22 yrs) and Baw Shi Ullah (30 yrs) from Nilin Baw village, and Hu Saung Ar Mauk (65 yrs) - because they are from neighboring villages. They were involved in the attacks. Later we were all arrested. The leader of the attack was Saltar from Chut Pyin. I did not know any other leader.

How we trekked to the Naf river after the attack:

On the morning of 28.8.2017, all of our villagers from Bellami village started to flee. We also heard the villagers from Nilin Baw, Auk Nan Ya, Ahtet Nan Ya and Chut Pyin villagers did the same. On the way, we saw these neighboring villagers. We spent 1 night in the Mayu mountains as we crossed over. After that we walked for 2 days. When we reached the shores of the Naf River, we saw that some of our neighboring villagers were there too.

How we were captured:

When we were at the shore of the Naf River, we had some problems trying to cross into Bangladesh. The Bengali boatmen demanded very high prices to cross the wide river. On the morning of 11.9.2017, we had no food. I, Hu Sang Ar Mauk, Kay Fayad Ullah, Sayed Dullah, Bawshi Ullah and Maw Go La Mauk went to nearby Bengali villages to ask for or to buy rice. But, we did not find anything. At 9:00 am, Maw Go La Mauk, grabbed an unknown 14 years old Bengali boy. We tied him

with rope and asked him to show us his house and give us rice or else we would kill him. We took him to an empty house in Ka Yin Tan village (Alay Than Kyaw). Among the six of us, Maw Go La Mauk was our leader, and we all had swords or sticks. While we are threatening to kill the young Bengali boy around 22 villagers from Ka Yin Tan Village came and confronted us and reported us to the Burmese Army and Border Guard Police (BGP) and we were arrested.
