How the Mosques Prepared Us:

There are 6 Mosques in our village and we go to the East Mosque. The Mawlawis [Imams] of the mosque are Mawlawi Sultan and Mawlawi Arbu Sedek. We had to go the mosque 5 times a day to pray. Every time the Mawlawis described how we have been oppressed by the government, and one day, soon, we would attack the government and the infidels, and occupy Maungdaw, Buthidaung and Rathedaung and make it an Islamic State. After ARSA members bring guns and bombs back from training sessions in Bangladesh we would start with attacking the security outposts by surprise, and seize all of the weapons.

How We Prepared To Attack the Pa Nyaung Pin Gyi Police Outpost:

On 24.8.2017, around 7:00 PM, Mawlawi Arbu Sedek called the villagers to come to the mosque. He announced that ARSA had arrived and they would attack in the early morning and seize the guns after killing the police. Other Bengalis would also do the same to other police outposts throughout the land that we are going to rule as an Islamic State. They ordered us to gather at the mosque at 12:00 AM. Then, at 11:00 PM, I grabbed a sword from home and came to the mosque and saw Hamid Tu Saung, Jawmin, Khawbi, Shun Ru, Eman Hu Saung, Abu La Sheim, Ramaw Tullah, Saw Gu Saung, Nawgyi Mullah, and Abu Kar Laung who also came there with their swords. Then at 12:00 AM, Mawlawi Abu Sedek led us to Mawlawi Zu Bie's house in Pa Chee Ya Tan village. On the way, we met with other Bengalis from nearby villages.

How We Attacked the Pa Nyaung Pin Gyi Police Outpost, and Got Arrested:

Around 2:20 AM at 25.8.2017, we, together with ARSA militants, attacked the Pa Nyaung Pin Gyi Police Outpost with guns and bombs from all sides. When police retaliated and shot back at us, we ran away, and then we went back to our villages. Two weeks later, on 6.9.2017, I was arrested by BGP [Border Guard Police] and Army troops as I was coming home from my workplace.
