## Claims

### **How the Mosques Prepared Us:**

We have about 100 households in Minglagyi - 2 village. At the mosque that I go to the Mawlawi [Imam] is Mawlawi Hafis Muzaba (50). He is originally from Kyauk Pyin Sake. Mawlawi Hafis Muzaba says we should go to the mosque 5 times a day, but I can only go 3 times a day. He has short black hair, narrow forehead, fair eyebrows, black eyes, fair nose, wide ears, small mouth, normal skin and about 5'5" tall. The village administrator is Maung Maung Tin (Bengali).

When our villagers go to pray at the mosque, Mawlawi Hafis Muzaba would always talk to us, and prepare us to be ready to fight. The plan was that we would take over Maungdaw, Buthidaung and Rathedaung one day, and declare it an Islamic State. We would first attack the security outposts and this would start after our militants came back from Bangladesh training camps, bringing guns and bombs with them.

### **How We Prepared To Attack the Zin Bie Nyar Police Outpost:**

At 24.8.2017, Mawlawi Hafis Muzaba called for all the villagers to come to the mosque. He told us that the ARSA / RSO militants had arrived and they would attack in the early morning and other Bengalis would also do the same to other police outposts all over our soon-to-be Islamic State. He ordered us to gather at 11:00 PM in the mosque. So at 11:00 PM, I grabbed the sword and came to the mosque and saw Mamed Sabay (19), Ali Ahmed (25), Ameran (19), Rolamin (40) and Feran (35) with swords in their hands. Mawlawi Hafis Muzaba led us and we joined with other Bengalis from Miglagyi-1 and Mee Chaung Tet villages. Among them, I remember Rawfis Anwar from Minglagyi-1 and Anowa Fiesay from Mee Chaung Tet. We were about 300 people then.

### **How We Attacked the Zin Bie Nyar Police Outpost:**

Around 03:45 AM on 25.8.2017, ARSA / RSO militants started attacking the Zie Bie Nyar police outpost with guns and bombs, and we attacked with our swords. When police started to retaliate and shot back at us, we retreated and then went back to our houses.

### **We Were Ordered to Burn Our Houses and Flee to Bangladesh:**

After attacking the police outpost and failing to seize the weaponry, Mawlawi Hafis Muzaba ordered us to set fire to our houses and run to Bangladesh. Some of our villagers started the fires and most fled the village. But, me and some others stayed.

### **How I Was Arrested:**

About 6 days later, when I was at home on 31.8.2017, around 2:50 PM, I was arrested by police and our village administrator, Maung Maung Tin (Bengali).

### **Additional Comments:**

I joined the attacks because Mawlawis Hafis Muzaba persuaded us, and prepared us with the plan to obtain our goal of an Islamic State, every time we went to the mosque to pray. I throw my sword on the ground as I ran in panic after attacking the police outpost. I know the leaders of the attackers are ARSA or RSO members, but I did not know their names or anything about them. I heard that there are some ARSA members from our village but, I don't know who they are. Mawlawi Hafis Muzaba would know all of that.

Together with me, Anowar Fiesay and Rawfis Anowa from Mee Chaung Tet Village, and Ali Amed, Amaran and Mamed Sarbay were also arrested by Police and the Village Administrator, Maung Maung Tin (Bengali).
