Our Village Mosques, and Our Mawlawis [Imams]:

There are about over 100 houses in our village but I do not know exactly how many population in there. And there is a mosque where I go and pray five times a day. The name of Mawlawi is Har Face Mu Zar Bar, age – 50 years old, his Native village is Kyauk Pyin Seik. His physical shape is – short black hair, narrow forehead, good eyebrow, black eyes, good looking nose, wide ears, narrow mouth, good skin, height – 5 feet and 5 inches, chew betel nuts, dirty teeth, and usually he wears longyi. And, the name of Mingalar Gyi village chief is Maung Maung Tin, (Bengali/ Islam).

How We Were Recruited and Trained:

The Mawlawi , Har Face Mu Zar Bar from our village told all the villagers who came and prayed in the mosque that we will attack Maungdaw, Buthidaung and Rathedaung one day to make our Islamic state. And Bengalis are discriminated against in education, social affairs, and religion. And in order to get freedom, all Bengalis should organize to fight and to attack the police outposts and seize the weapons. And Mawlawi Har Face Mu Zar Bar told us again and again that when the ARSA militants arrived with weapons, including bombs, the terrorist attacks would start. In the meantime, all Bengalis had to be ready with knives, sticks and other weapons whenever it became necessary to attack.

How We Prepared To Attack Zin Pine Nya Police Outpost:

Mawlawi Har Face Mu Zar Bar told all the villagers to meet in the mosque at 6 pm, 24. 8. 2017. And to let all the villagers know that ARSA militants had arrived. So, we will attack the police outposts early in the morning and seize the weapons and we should have no worries because ARSA militants had guns and handmade bombs. And also other villagers would attack other police outposts in Maungdaw and Buthidaung. And we were told to meet them, bringing our own weapons such as knives and sticks to the mosque, at 11 pm. So, I went to the mosque bringing my sword, at 11 pm. And also other people from our village came and gathered in the mosque with their knives and swords.

Then, Mawlawi Har Face Mu Zar Bar led us to attack the police post. He had contact with other Mawlawis from the other villages. So, on the way, Mawlawi Har Face Mu Zar Bar joined with other Mawlawis who led the other villagers from Mingalar Gyi (1) village and Mi Kyaung Tat village. I saw one man from Mingalar Gyi (1) village, his name is Roor Fee Annawar and another man from Mi Kyaung Tat village is Arr No War Fike Say who joined in this terrorist group. And I think there were about 30 people in that group. Then we headed to attack Zin Pine Nya police outpost. At 3:45 am, 25. 8. 2017, we surrounded Zin Pine Nya police outpost and unknown leaders of RSO and ARSA terrorist groups attacked the police post with handmade bombs and guns. When the police shot back, we ran back to our village. And I also went back to my house.

How We Were Captured:

After the attack on the Zin Pine Nya police outpost, we were told by Mawlawi Har Face Mu Zar Bar to burn our houses by ourselves and then flee. Some people burned their houses by themselves and fled away. I was captured while I was at home at about 3:00 pm on 31. 8. 2017 by police cooperating with Mingalar Gyi village chief Maung Maung Tin (Bengali/ Islam).

General:

I joined the attack of Zin Pine Nya police outpost because Mawlawi Har Face Mu Zar Bar told us to again and again and demanded that we participate. I threw my sword on the way when I fled from attack. In this attack I knew that we were led by RSO and ARSA terrorists who have attended terrorist training but I do not know their names. And also, I heard some people attended terrorist training from our village but I do not know their names. But Mawlawi Har Face Mu Zar Bar knows them.

I knew that Arr No War Fike Say from Mi Kyaung Tat village, Roor Fee Annawar from Mingalar Gyi (1) village, Har Mi Du Lar, Mar Mat Sar Bay from Mingalar Gyi (2) village were captured by police cooperating with Mingalar Gyi village chief Maung Maung Tin (Bengali / Islam)
