Administrative Leadership

Department Chair, the Department of Theatre and Dance at UTEP 2021- 2025

- Oversaw and managed an annual departmental budget ensuring fiscal responsibility and strategic allocation of resources
- Led the creation of the department's Mission, Vision, and Core Values, aligning them with institutional goals and future growth
- Designed and implemented comprehensive 5- and 10-year strategic plans for sustainable departmental development
- Developed and launched a structured Annual Performance Evaluation (PAR) process, including a clear rubric and merit-based evaluation metrics
- Executed the department's Tenure and Promotion Guidelines (Associate and Full), enhancing clarity and fairness in academic advancement
- Coordinated the creation of an innovative Musical Theatre curriculum, integrating contemporary practices and industry standards
- Designed and implemented strategic faculty and student recruitment efforts focusing outreach and retention through TxETA, UTPW, NDEO and others.
- Established a formal Departmental Workload Policy to ensure transparency and equity in faculty responsibilities
- Coordinated and managed faculty and staff search processes, including coordinating committees and onboarding
- Led a comprehensive revision of the Department Bylaws to reflect current practices and future needs
- Support the development of a new vision and direction for the UTEP Dinner Theatre and Musical Theatre Degree program
- Oversee the Dr. Kruszewski Endowment, ensuring sustained funding for department initiatives.
- Developed and executed a strategic plan for the Wise Family Theatre Remodel Fundraising Campaign, completing a \$100,000 rigging repair and replacing the soft goods to enhance safety and improve the student experience.
- Led capital improvement initiatives to upgrade classroom technologies and enhance facilities in the Theatre and Dance building.

Theatre for Healthcare Equity Liaison 2021- 2023

- Forged a groundbreaking institutional partnership between the UTEP College of Health Sciences and Texas Tech Health Sciences, establishing a long-term framework for interdisciplinary collaboration
- Secured \$20,000 in initial startup funding, catalyzing cross-institutional initiatives and setting the foundation for sustained research and academic innovation

- Funded and organized an intensive, weeklong interdisciplinary workshop, engaging faculty across two colleges to foster collaboration, curriculum development, and joint research agendas
- Spearheaded the development of collaborative research initiatives, expanding interdisciplinary scholarship and increasing visibility for faculty-led projects
