THE YORKIE SHACK SC

PUPPY DEPOSIT AGREEMENT

Buyer Name: _____ Phone: _____

Email: _____ Date: _____

Puppy / Litter: _____ Deposit: $_____

IMPORTANT: THE DEPOSIT IS NON-REFUNDABLE ONCE MADE, FOR ANY REASON, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW.

1. Non-Refundable Deposit

Buyer understands and agrees that once the deposit is paid and accepted by The Yorkie Shack SC, the deposit is **NON-REFUNDABLE**. If Buyer changes their mind, decides not to purchase the selected puppy, cannot take the puppy, fails to complete the purchase, or cancels for any other reason, the deposit will not be returned, except where a refund is required by applicable law.

2. Purpose of Deposit

The deposit reserves a puppy and/or Buyer's place for a puppy and compensates Seller for holding the puppy or reservation, removing or limiting availability to other prospective buyers, administrative time, and other losses that may result if Buyer does not complete the purchase.

3. Transfer to Another Puppy or Litter

If Buyer chooses not to proceed with the originally selected puppy, Seller may allow the deposit to be transferred as a credit toward another available puppy or a puppy from a future litter from The Yorkie Shack SC. A transferred deposit remains **NON-REFUNDABLE** and has no cash value. Transfer is a credit only and is not a refund.

4. Prices May Vary

Buyer understands that puppy prices may vary from puppy to puppy and litter to litter based on color, size, sex, markings, pedigree, and other individual characteristics. Transferring a deposit does **not** guarantee the original puppy's price. If the new puppy costs more, Buyer must pay the difference. If the new puppy costs less, the deposit will be applied toward that puppy's purchase price.

5. Buyer Acknowledgment

By signing below and/or submitting the deposit after receiving this agreement, Buyer acknowledges that Buyer has read, understands, and agrees to these terms, including the non-refundable nature of the deposit and the possibility that the purchase price of a different puppy may vary.
