

# Find Qualified Franchisee Prospects

*The Most Effective Tool Ever Offered!*

One week the **PROOF** is in the **Results Test!**

*Just some of our success:*

## National Gym and Fitness Franchise

Our system sold out, every market we targeted. Some states were sold out of territories more than a year ahead of plan. The Chief Marketing Officer explained – “Nothing else we did was as effective consistent, and predictable.”

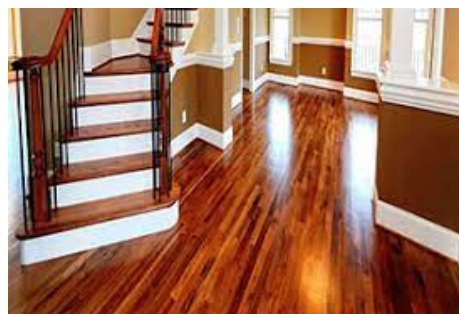

## National Bedding & Mattress Retailer

The President of this company (a household name) credits our tool with “Opening the New York Market”. We’re confident this “A list” brand would’ve cracked the market, eventually. Top executives often repeat “We started with less than 5 stores and a good idea. In what seemed like the blink of an eye we had demand and 20 stores.”

## Flooring & Refinishing Service

When this Franchisor joined us they were already a big name in their trade having refinished over a million square feet of flooring. However, they had markets where they just couldn’t get the traction they wanted. They accepted “**Proof is the Results Challenge**” and never looked back!
