Updates/Behind The Scenes

Lo-fi EP: "seek ye first." was sent to stores today and will be coming to your earbuds on April 1st! For now I hope you can enjoy the music I have put out until now! I pray it edifies you and helps you on your walk with Christ.

Currently, I'm working on a collaborative projects with fellow Christian artists who are AMAZING women of God! it will be released under the Amen Collective like past collaborative projects and I'm so honored to be paired with the two beautiful women I

am paired with! Can you guess who they are?

What's been on my heart?

Ahhh the good ol' "What's been on my heart?" section. I always have to remind myself that it's okay for me to express my real unfiltered self in these emails and when I speak to people in general. So that is what I am going to do!

A couple months ago, while I was in worship and prayer. The Lord helped me realize something about the "persecution" that will be or is indeed already happening. I realized that rather than it being mostly Secular vs. Christian, It will be "Christian" vs. Christian, brother against brother. This truly saddened my spirit.

It's been on my heart a lot this week to speak on the subject/term/false gospel of "deconstruction." Christians everywhere are being misled and confused by it so I cannot stay quiet! Scripture interprets scripture. My prayer is that those who have ears to hear, hear. (Matthew 11:15) Here are some resources to fill your mind with truth:

Just your friendly reminder to get in deep with the Word of God.

"So then, you will know them by their fruits. Not everyone who says to Me, 'Lord, Lord,' will enter the kingdom of heaven, but he who does the will of My Father who is in heaven will enter. Many will say to Me on that day, 'Lord, Lord, did we not prophesy in Your name, and in Your name cast out demons, and in Your name perform many miracles?' And then I will declare to them, 'I never knew you; DEPART FROM ME, YOU WHO PRACTICE LAWLESSNESS.'" {Matthew 7:20-23}
