Updates/Behind The Scenes ♡

New Releases

Good News: The Album has hit all streaming sites!! As I said last week: *I am celebrating and I hope you can do so with me!! My prayer is that these songs fill your summer with the Joy of the Lord! That you see His love for you is unfailing! I also pray it reminds you of His goodness, His righteousness and His holiness.*

Wowowow. What a journey it's been. There were lots of times I felt like giving up through the process of creating this album. The song Good News was rewritten about 5 times, and tracks were switched in and out with other ones!!! That being said- I still have a lot of unreleased music that I want to share with you in the near future. Some really exciting things are underway! But for now, this 7 song project is very special to me and hopefully it will be to you someday. Above all, may God's heart be pleased with it. Thank you all for always listening and supporting what He does through me. Big hugs..

What's been on my heart? ♡

Love has been on my heart. True love. The love of Christ and showing it to others. I want a heart of flesh. One that is unafraid of hurt and bitterness because the Lord lives in it. Brothers and sisters. The world tells us to love

more and that love is the answer to it all. But the world does not know the meaning of love. Real love is what our Savior did on that cross. He forgave us when we didn't deserve it, He died for us when we persecuted Him. Let us not lose sight of what love truly means and looks like. Let's love one another with everything we have as the Lord called us to do.

{Romans 5:8}

But God shows his love for us in that while we were still sinners, Christ died for us.

{John 13:34}

A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another.
