### Any crisp leaves yet?! ♡

We don't really get Autumn down here in Florida, so I always want to know when the leaves change color in other places! Oh how I dream of seeing them change one day and experiencing the lovely Autumn air and season as a whole in its entirety. Do you get Autumn where you live? Has it started yet?

## What's been on my heart?

We are getting into my favorite time of year. I have been feeling a lot of the Lord's joy and peace in this season. You all know that song, "Way Maker"? The part where it says: *Even when I don't see it, you're working*. That is what I have been feeling God make into reality this week. Despite all of the trouble we are facing here on Earth, God is still good. He is still faithful.

"For the word of the Lord is upright, and all his work is done in faithfulness."  
-psalm 33:4

"Good and upright is the Lord; therefore he instructs sinners in the way. He leads the humble in what is right, and teaches the humble his way. All the paths of the Lord are steadfast love and faithfulness, for those who keep his covenant and his testimonies."  
-psalm 25:8-10

"Forever, O Lord, your word is firmly fixed in the heavens. Your faithfulness endures to all generations; you have established the earth, and it stands fast."  
-psalm 119:89-90

If you have never read the book of Psalm, I really encourage you to do so. It will bring a supernatural peace in your heart to know the God is King of Kings, Lord of Lords and nothing escapes Him. He is faithful and good. We may suffer here in this life- but remember what His Word says.

*1 Peter 5:10*

And after you have suffered a little while, the God of all grace, who has called you to his eternal glory in Christ, will himself restore, confirm, strengthen, and establish you.

*Romans 8:18*

For I consider that the sufferings of this present time are not worth comparing with the glory that is to be revealed to us.

*Please remember as well, brethren, to continue praying for those who are being prosecuted; losing their lives for the sake of Christ Jesus, our Lord. But truly, it is better for them to go and be with Jesus- for the Word also says that times will get worse. If you have a friend who does not know Christ, be encouraged to share a word with them today about Him.*
