

Soultouching

BEING HERE TOGETHER

Let's touch upon how our personal lives unfold in Divine Being, inviting us to live, explore and engage with ourselves and others in new soulful ways

You're invited to a three-day event to discover your soulful essence as body, mind, energy, and emotions

February 7-9th, 2025 9:30-5:30pm
\$350 Euros per person in Brechen, Germany

Casey Keth

Gertrud Wunschmann

Eric Grace

As guides with over 30 years of experience in our own Emoto-psycho-spiritual exploration, we specialize in helping individuals learn to appreciate, navigate, re-frame and re-experience their emotional landscapes in safe, nurturing, and relational ways. Our approach emphasizes the importance of curious emotion-based self-inquiry as a path to "whole-ifying" our felt experience of life inspired by the paradigm of Edenity.
