

TDR Nostalgic Driving Experience Croatia Tour 2027

Your Highlight Experiences on this TDR Tour

Trieste - Habsburg Splendor

Trieste exudes discreet elegance: a seafront Piazza Unità, Habsburg-era palazzi, and storied cafés set a cultured tone. Boutique shopping, Art Nouveau hotels, and manicured promenades meet refined cuisine and underscore cosmopolitan prestige - the perfect start to your Croatia adventure.

Istria – Scenic Drives

Driving Istria blends Venetian charm with Adriatic exclusivity: walled hill towns, piazzas, and pastel harbors. Boutique wineries, truffle estates, and Michelin-minded konobas pair with sleek marinas and heritage hotels. Rovinj's waterfront, Brijuni's allure, and sapphire coves define a cultivated, slow-luxury Mediterranean.

Krk Island – Dreamy Shorelines

Driving Krk blends island authenticity with Adriatic elegance: stone villages, historic old towns, and sunlit waterfront promenades. Family-run wineries, olive groves, and refined konobas pair with secluded bays and stylish seaside retreats. Krk Town's medieval charm, Vrbnik's cliffside allure, and crystal-clear coves define a relaxed, understated Mediterranean luxury.

Accomodation – Exclusive Hotels

The journey pairs two distinguished Adriatic addresses: Trieste's Savoia Excelsior Palace and Opatija's The Ambasador. Grand Belle Époque elegance meets contemporary coastal luxury, from Trieste's imperial waterfront and historic grandeur to Opatija's celebrated Riviera atmosphere and panoramic sea views. Timeless hospitality, stylish wellness experiences, and privileged seafront settings create a seamless blend of heritage, sophistication, and Adriatic charm.

Pula – Istrian History

Pula marries Roman grandeur with Adriatic understatement: the Arena, forum and Temple of Augustus, Venetian gates, Habsburg façades. Discreet boutiques and elegant enotecas, shipyard's 'Lighting Giants' at dusk; private Arena access, boat pickups to Kamenjak, curated olive-oil tastings—cultivated pace, limestone.

TDR DRIVING EXPERIENCE

TDR Classic Cars for 2027

two true icons: the elegant W113 “Pagoda” (1963–1971) and the stylish R107 (1971–1989). Each car is meticulously maintained and ready to deliver that unmistakable feeling of a classic roadster drive – open-air, timeless, and full of style. The SL is the brand’s legendary roadster series – a perfect balance of performance, elegance, and engineering excellence. Since its debut in the 1950s, the SL has stood as a symbol of grand touring luxury: long-distance comfort, top-down freedom, and the kind of design that turns heads for decades. On every travel day, you’ll choose your personal companion from the fleet – perhaps the charming lightness of the Pagoda one day, the confident presence of the R107 the next. We take care of everything: perfectly planned routes, on-tour technical support, and the framework for unforgettable moments behind the wheel.

Hotel ‚Savoia Excelsior - Trieste‘

Think grand seafront icon with Mitteleuropean poise. Savoia Excelsior greets the Gulf of Trieste with a luminous façade; inside, Belle Époque volumes—marble floors, sweeping staircases, crystal chandeliers—set a patrician hush. Rooms and suites feel salon-like: high ceilings, tailored drapery, parquet underfoot, a palette of ivory, navy, and brushed brass. Many open to Juliette balconies or broad terraces that frame the waterline and Piazza Unità. Public spaces read like elegant drawing rooms—library corners, mirrored consoles, quiet alcoves for discreet conversations. At the bar, shell-curved ceilings and bay views create a polished maritime mood for aperitifs; the dining room continues with crisp linens and precise service. Overall, an atmosphere of cultivated, timeless exclusivity that is unmistakably Trieste.
