UPDATED MEMBERSHIP INFORMATION

There are many duties associated with being an enrolled member of the Natchitoches Tribal Registry. One duty is to keep the Registry correct with your identifying information.

Please enter your Registration Membership Number: _____

Complete the information below:

- **Full Name: _____**
- **Email Address: _____**
- **Mailing Address (street, etc.): _____**
- **City, State, Zip: _____**
- **Phone Number: _____**

If you do not have access to your membership number, please enter the above information so that your original application can be located.

As we are preparing for the BIA application process, we have discovered that there are many records which are not complete. Some of these individuals were not vetted in the usual manner, and have membership cards which are not valid as they were not properly vetted.

If your above information does not match with the Tribal Registry, you will be notified for additional documentation to enable a proper vetting to occur.

If you have a membership number, and no longer wish to be an active member of the Natchitoches Tribal Registry, please request a Disenrollment Form.

If we do not receive a response from you within 3 months of mailing this form to you, the lack of a response will be considered to be a request for a Disenrollment Form.
