

Directions for drop off and pick up at the **FRONT** of the school.

Directions for drop off and pick up at the **BACK** of the school.

If you must park, park across Fort Hunt Road on Paul Springs Parkway, cross Fort Hunt and walk on the East side of the road and up the left side of the driveway. Be extremely careful: hold your child's hand at all times.

Your child's drop off and pick up assignment is located on the registration assignment letter.

Directions for drop off and pick up at the **FRONT** of the school.

Please test your route a day or two before camp begins. Because the turn-around area at the top of the hill is very small, a dry run would be helpful.

Head north on Fort Hunt road. (This is to avoid turning left into the school's driveway.) There will be no cars parked along the driveway or in the parking lot. There will be two-way traffic going up and down the driveway, so keep well to the right. At the top of the drive you will be stopped by an adult counselor. You will then be directed to circle your car to the right, and stop at the large gate. Your campers will be unloaded or loaded there. You will then be told to continue down the driveway and exit onto Fort Hunt Road. When you exit, please turn right, and head north to help avoid congestion on Fort Hunt Road.

Directions for drop off and pick up at the **BACK** of the school.

Please test your route a day or two before camp begins.

Enter Tauxemont Road on the East side of the loop. Keep to the right. Do not block intersections or driveways at any time. At the entrance to the path stop your car. Your campers will be unloaded or loaded there. You will then be given a signal to continue down Tauxemont Road and exit onto Alexandria Avenue.

Please respect the Tauxemont community and obey the **10 mph speed limit** on Tauxemont Road.
