FOR IMMEDIATE RELEASE

Foulkelore Unveils Debut Album "Egregore," in Collaboration with SEM Records, Redefining Musical Boundaries with a Fusion of Hip Hop, Experimental Sounds, and Cinematic Elements

Las Vegas, NV Jan. 2024– Foulkelore, the brainchild of Musician and Composer Mike Rupe, marks its transition from a creative, multimedia storytelling outlet to a groundbreaking musical project with the release of its debut album, "Egregore." Set to captivate audiences with its eclectic blend of hip hop, experimental sounds, multi-cultural influences, and cinematic elements, the album is slated for a digital release on January 5, 2024.

Foulkelore's evolution into a musical force is amplified by its current partnership with SEM Records, a Las Vegas-based music label owned by Jay Wasley, known for his role on the hit Discovery Channel show Ghost Adventures. This collaboration adds a unique layer to Foulkelore's narrative, bringing together the expertise of SEM Records with the innovative vision of Foulkelore.

Foulkelore's musical journey began as an exploration of creativity and multimedia storytelling, evolving organically into a project that refuses to be confined by genre boundaries. The artist's commitment to experimentation and innovation is evident throughout "Egregore," as Foulkelore seamlessly weaves together a tapestry of sounds that transcend traditional definitions.

The album's title, "Egregore," reflects Foulkelore's intent to create a collective, shared energy through its music, transcending individual experiences. The tracklisting showcases the diversity of Foulkelore's sonic palette:

Faded Memories (4:55)
Interlude 1 (The Space Between) (2:18)
Dream State (5:44)
Interlude 2 (By the Water) (2:00)
Sunday (3:26)
Interlude 3 (Desert Winds) (2:40)
Egregore/Five (7:05)
