THE R.E.A.L. ABOUT REAL ESTATE

Conquer the fundamentals of real estate and real property ownership while gaining valuable life lessons and financial awareness!

Real Estate Awareness & Literacy® Workshops

The pathway to home ownership can be overwhelming! It's time that we educate on the issues and situations that can put one's security in jeopardy. Get R.E.A.L. and breathe easy knowing that it is possible for individuals to embrace being able to plant strong roots and focus on the future.

"R.E.A.L. Talks" are ideal and customized for High School Juniors and Seniors, College Students, Home Buying Programs, and New Real Estate and Mortgage Professionals. Workshop topics include Ownership, Taxes, Judgments, Credit and Relationships.

WHAT'S YOUR SCENARIO?™

A R.E.A.L. ABOUT REAL ESTATE GAME

"There are a lot of resources and initiatives that assist individuals with securing real estate ownership - let's ensure that we are equally educating them on how to retain it." - Kimberly Springs

"I am very grateful to have attended this session because these are the things high schools should teach us but don't. I've learned more in these two hours that I know I will be applying to my life in the future."
Alex D., High School Senior c/o '25
