

# Sustainable Decluttering

Your donations have impacted the community and local charities, thank you!

When you work with OWJ, we triage your donated items to the following charities. Here's a breakdown of where your kind donations get relegated to help those in need.

By donating gently used items back into the community, creates job growth, helps those in need, and keeps much less waste out of the landfill. Thank you again for putting the trust in us to handle your decluttered belongings, giving them a second life and purpose.

"Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world."  
-Archbishop Desmond Tutu
