

DRAWING 1 — Week Four

Bringing It All Together

- Observation
- Proportion
- Perspective
- Composition
- Value & detail

Kimberly Sullivan Studio

Foundations

What You've Learned So Far

- Seeing shapes instead of symbols
- Measuring and proportion
- Light and shadow
- One-point perspective
- Composition basics

Kimberly Sullivan Studio

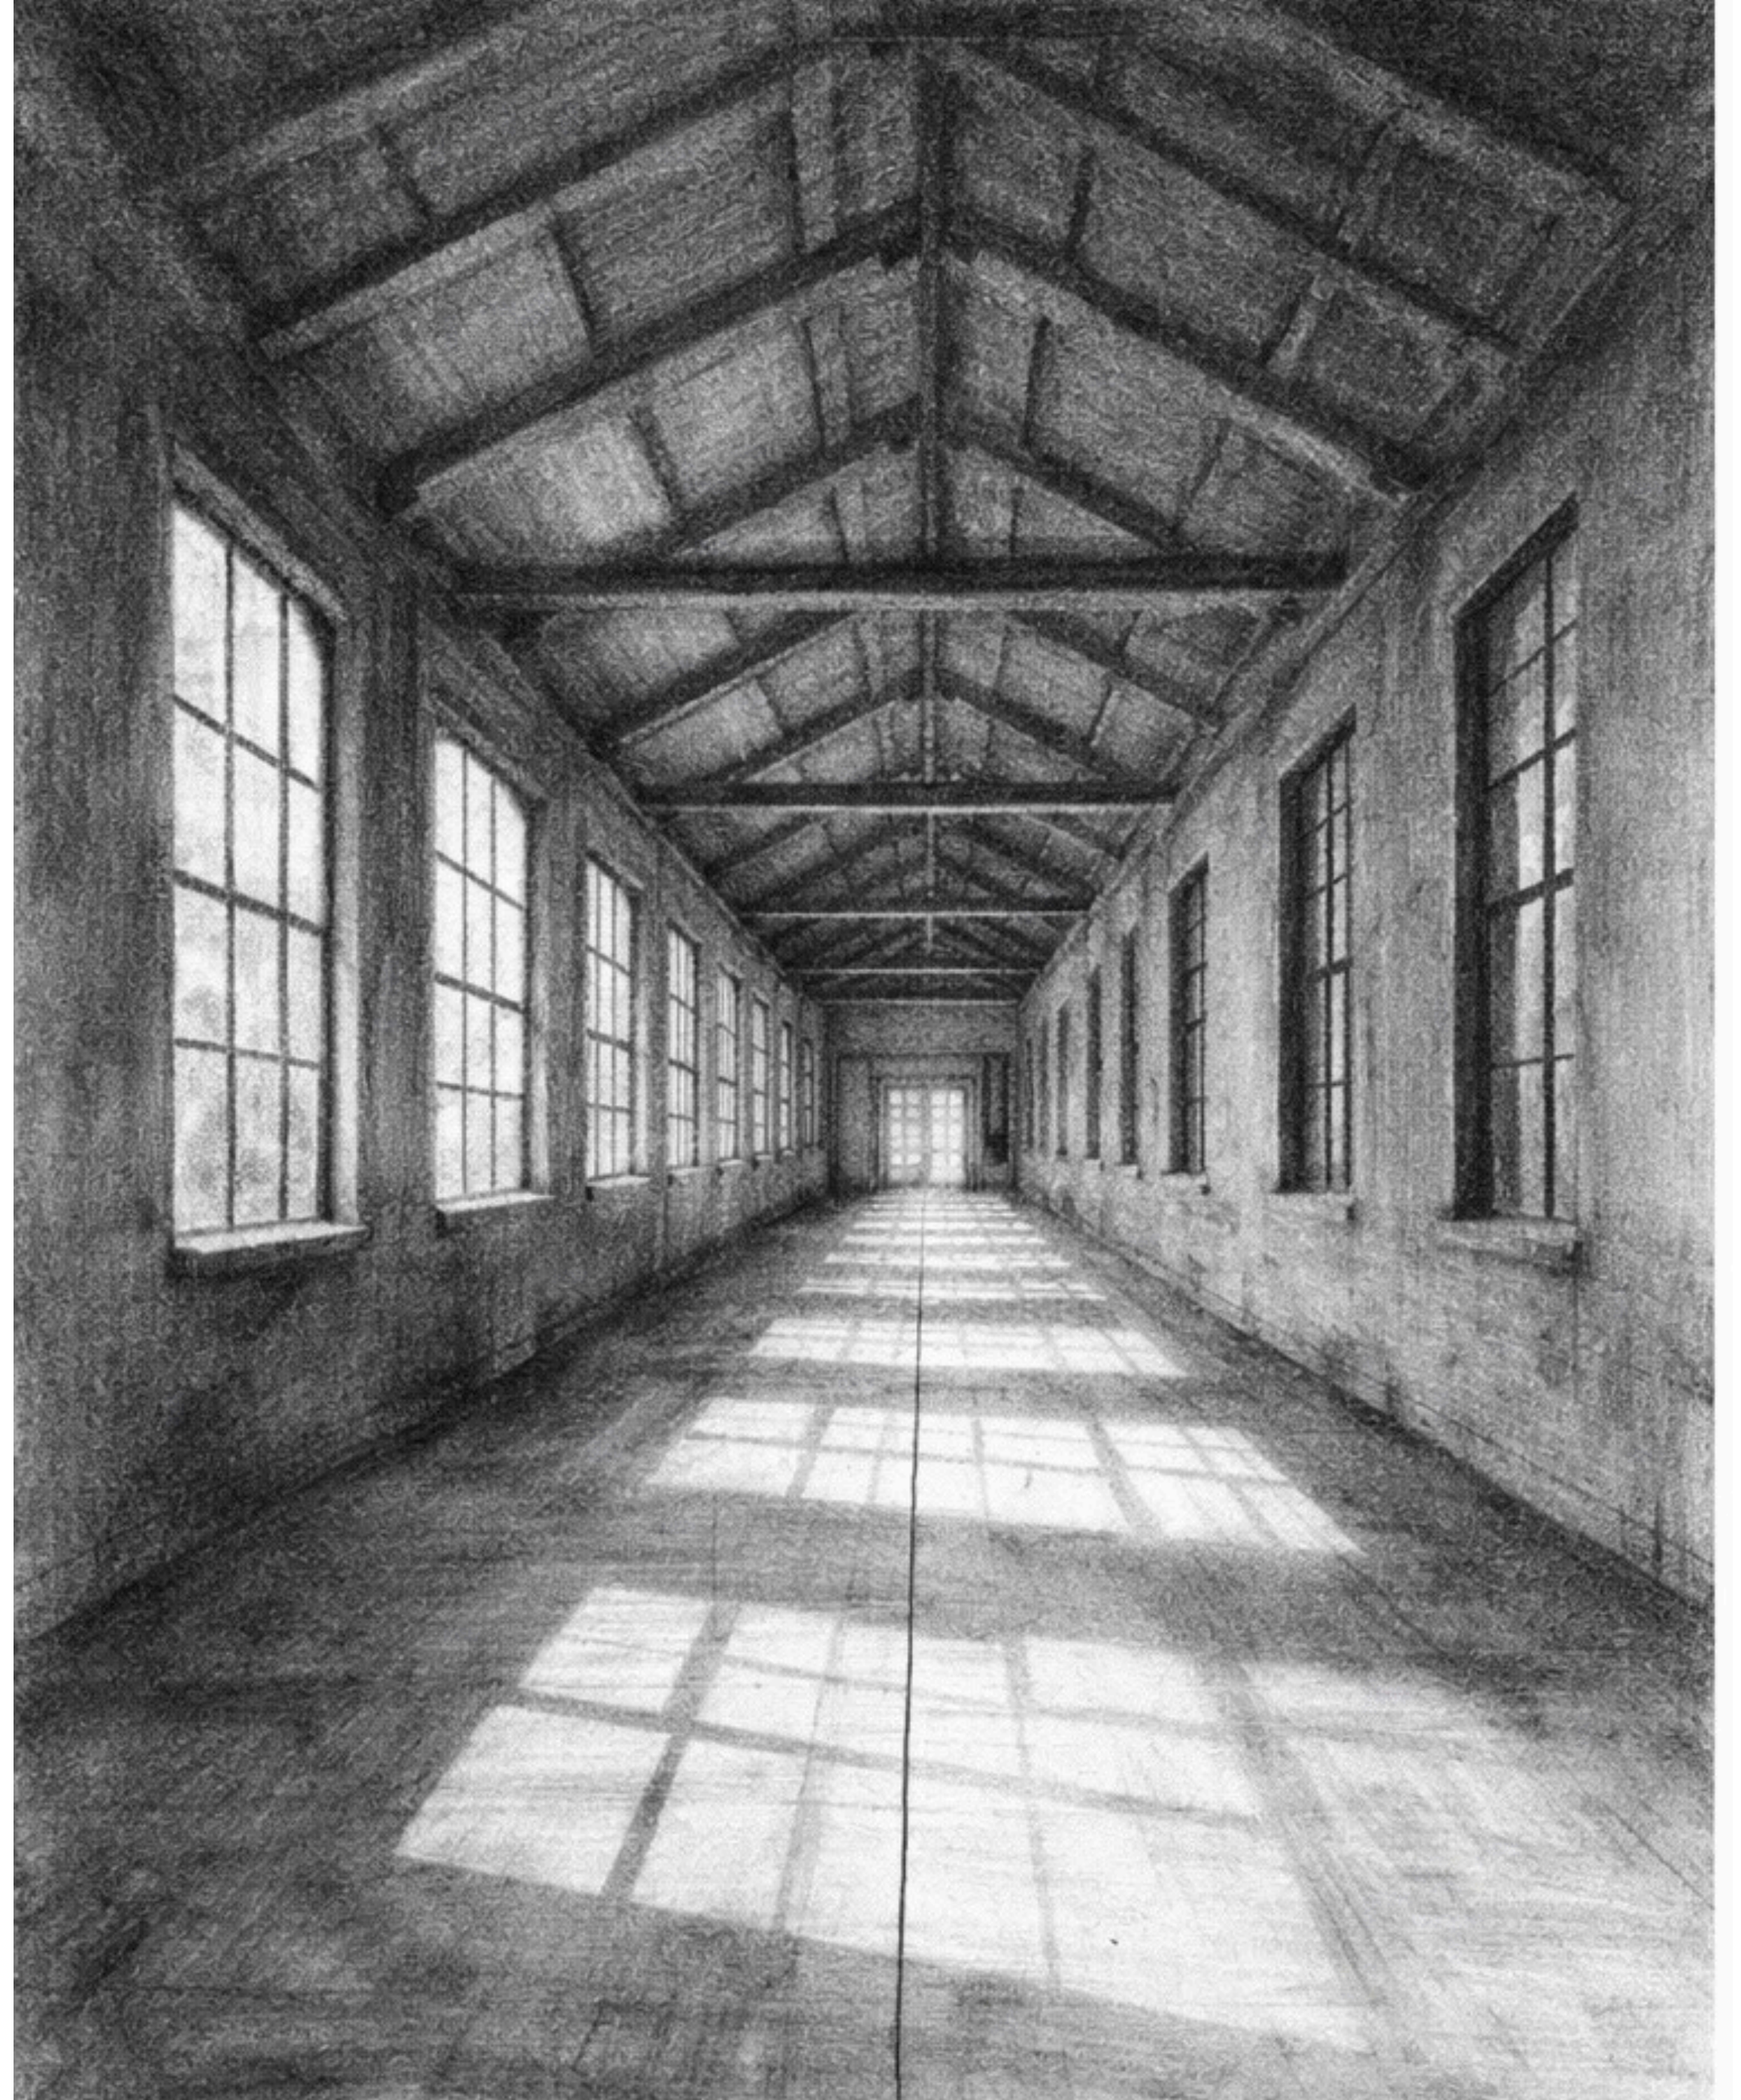

One-Point Perspective Review

- One vanishing point
- Straight-on view
- Creates depth and space

Reminder:
Verticals stay vertical.

Kimberly Sullivan Studio

Last Week's Homework

One-Point Perspective

- Room corner or outdoor scene
- Horizon line
- One vanishing point

Let's SHARE

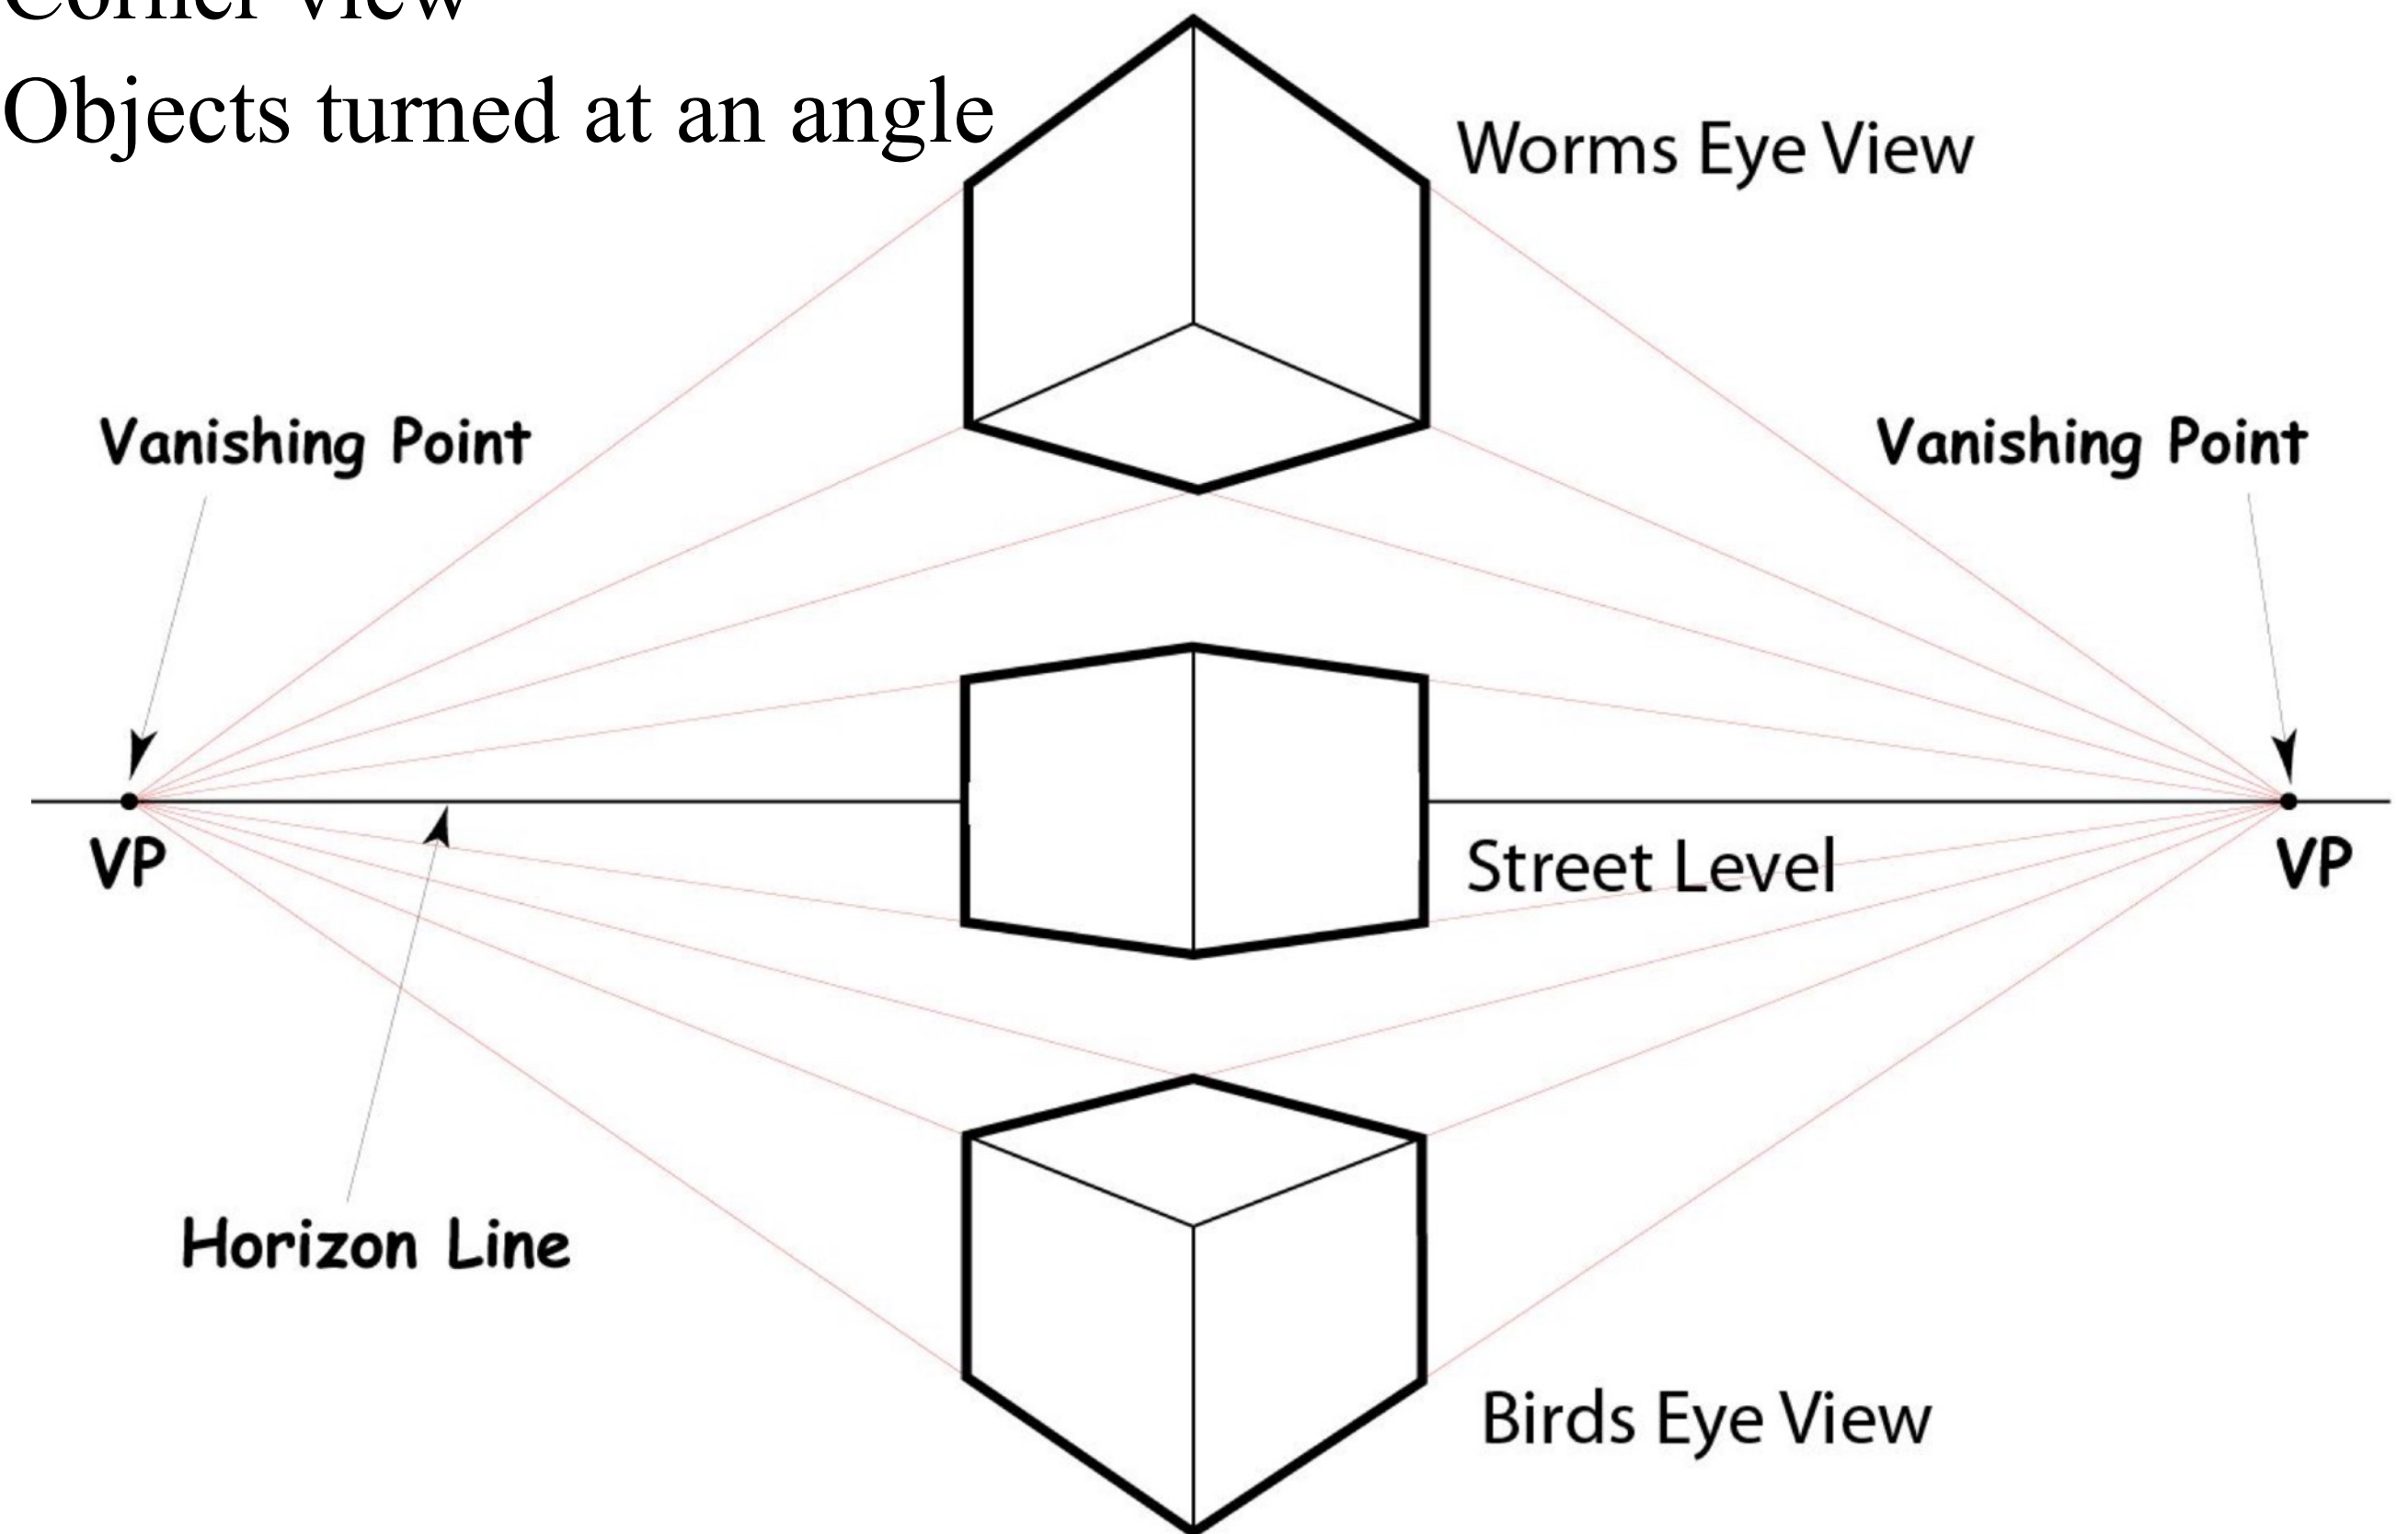

Kimberly Sullivan Studio

Two-Point Perspective

A brief introduction

- Two vanishing points
- Corner view
- Objects turned at an angle

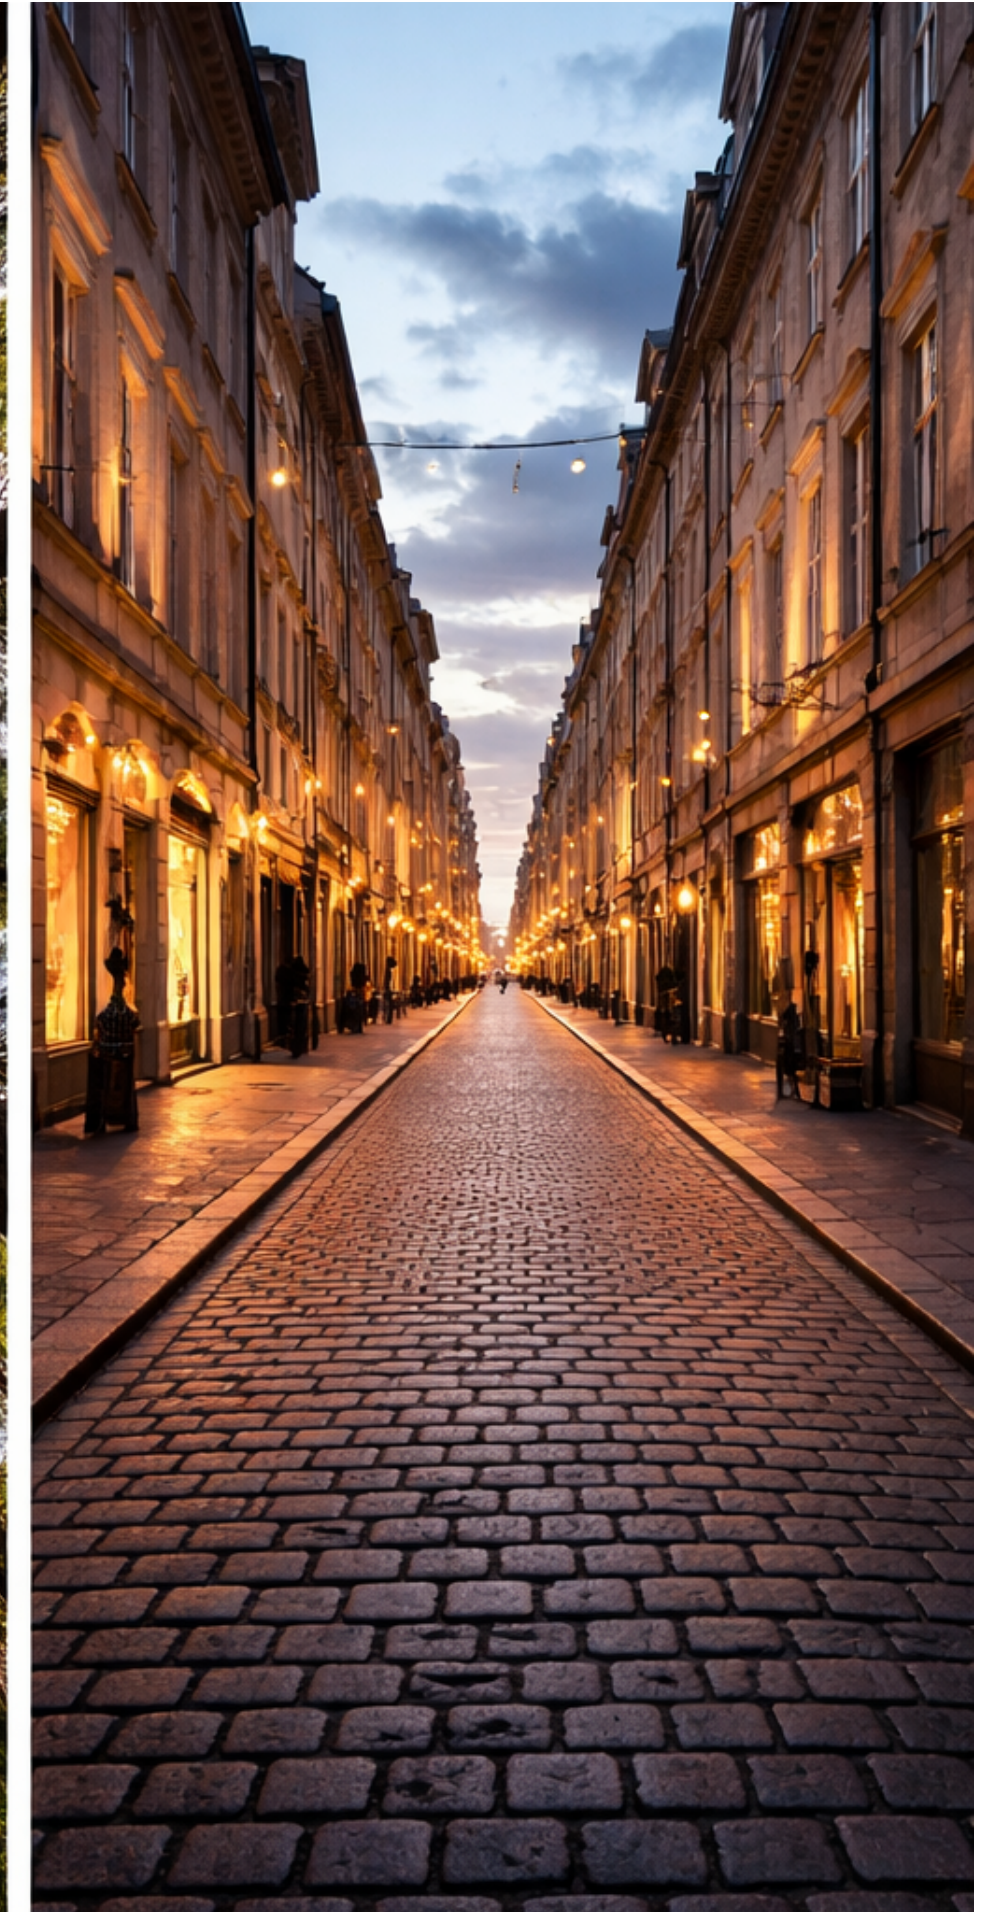

One-Point vs Two-Point

One-Point

- Straight-on view
- One vanishing point

Two-Point

- Angled view
- Two vanishing points

Kimberly Sullivan Studio

Let's Practice

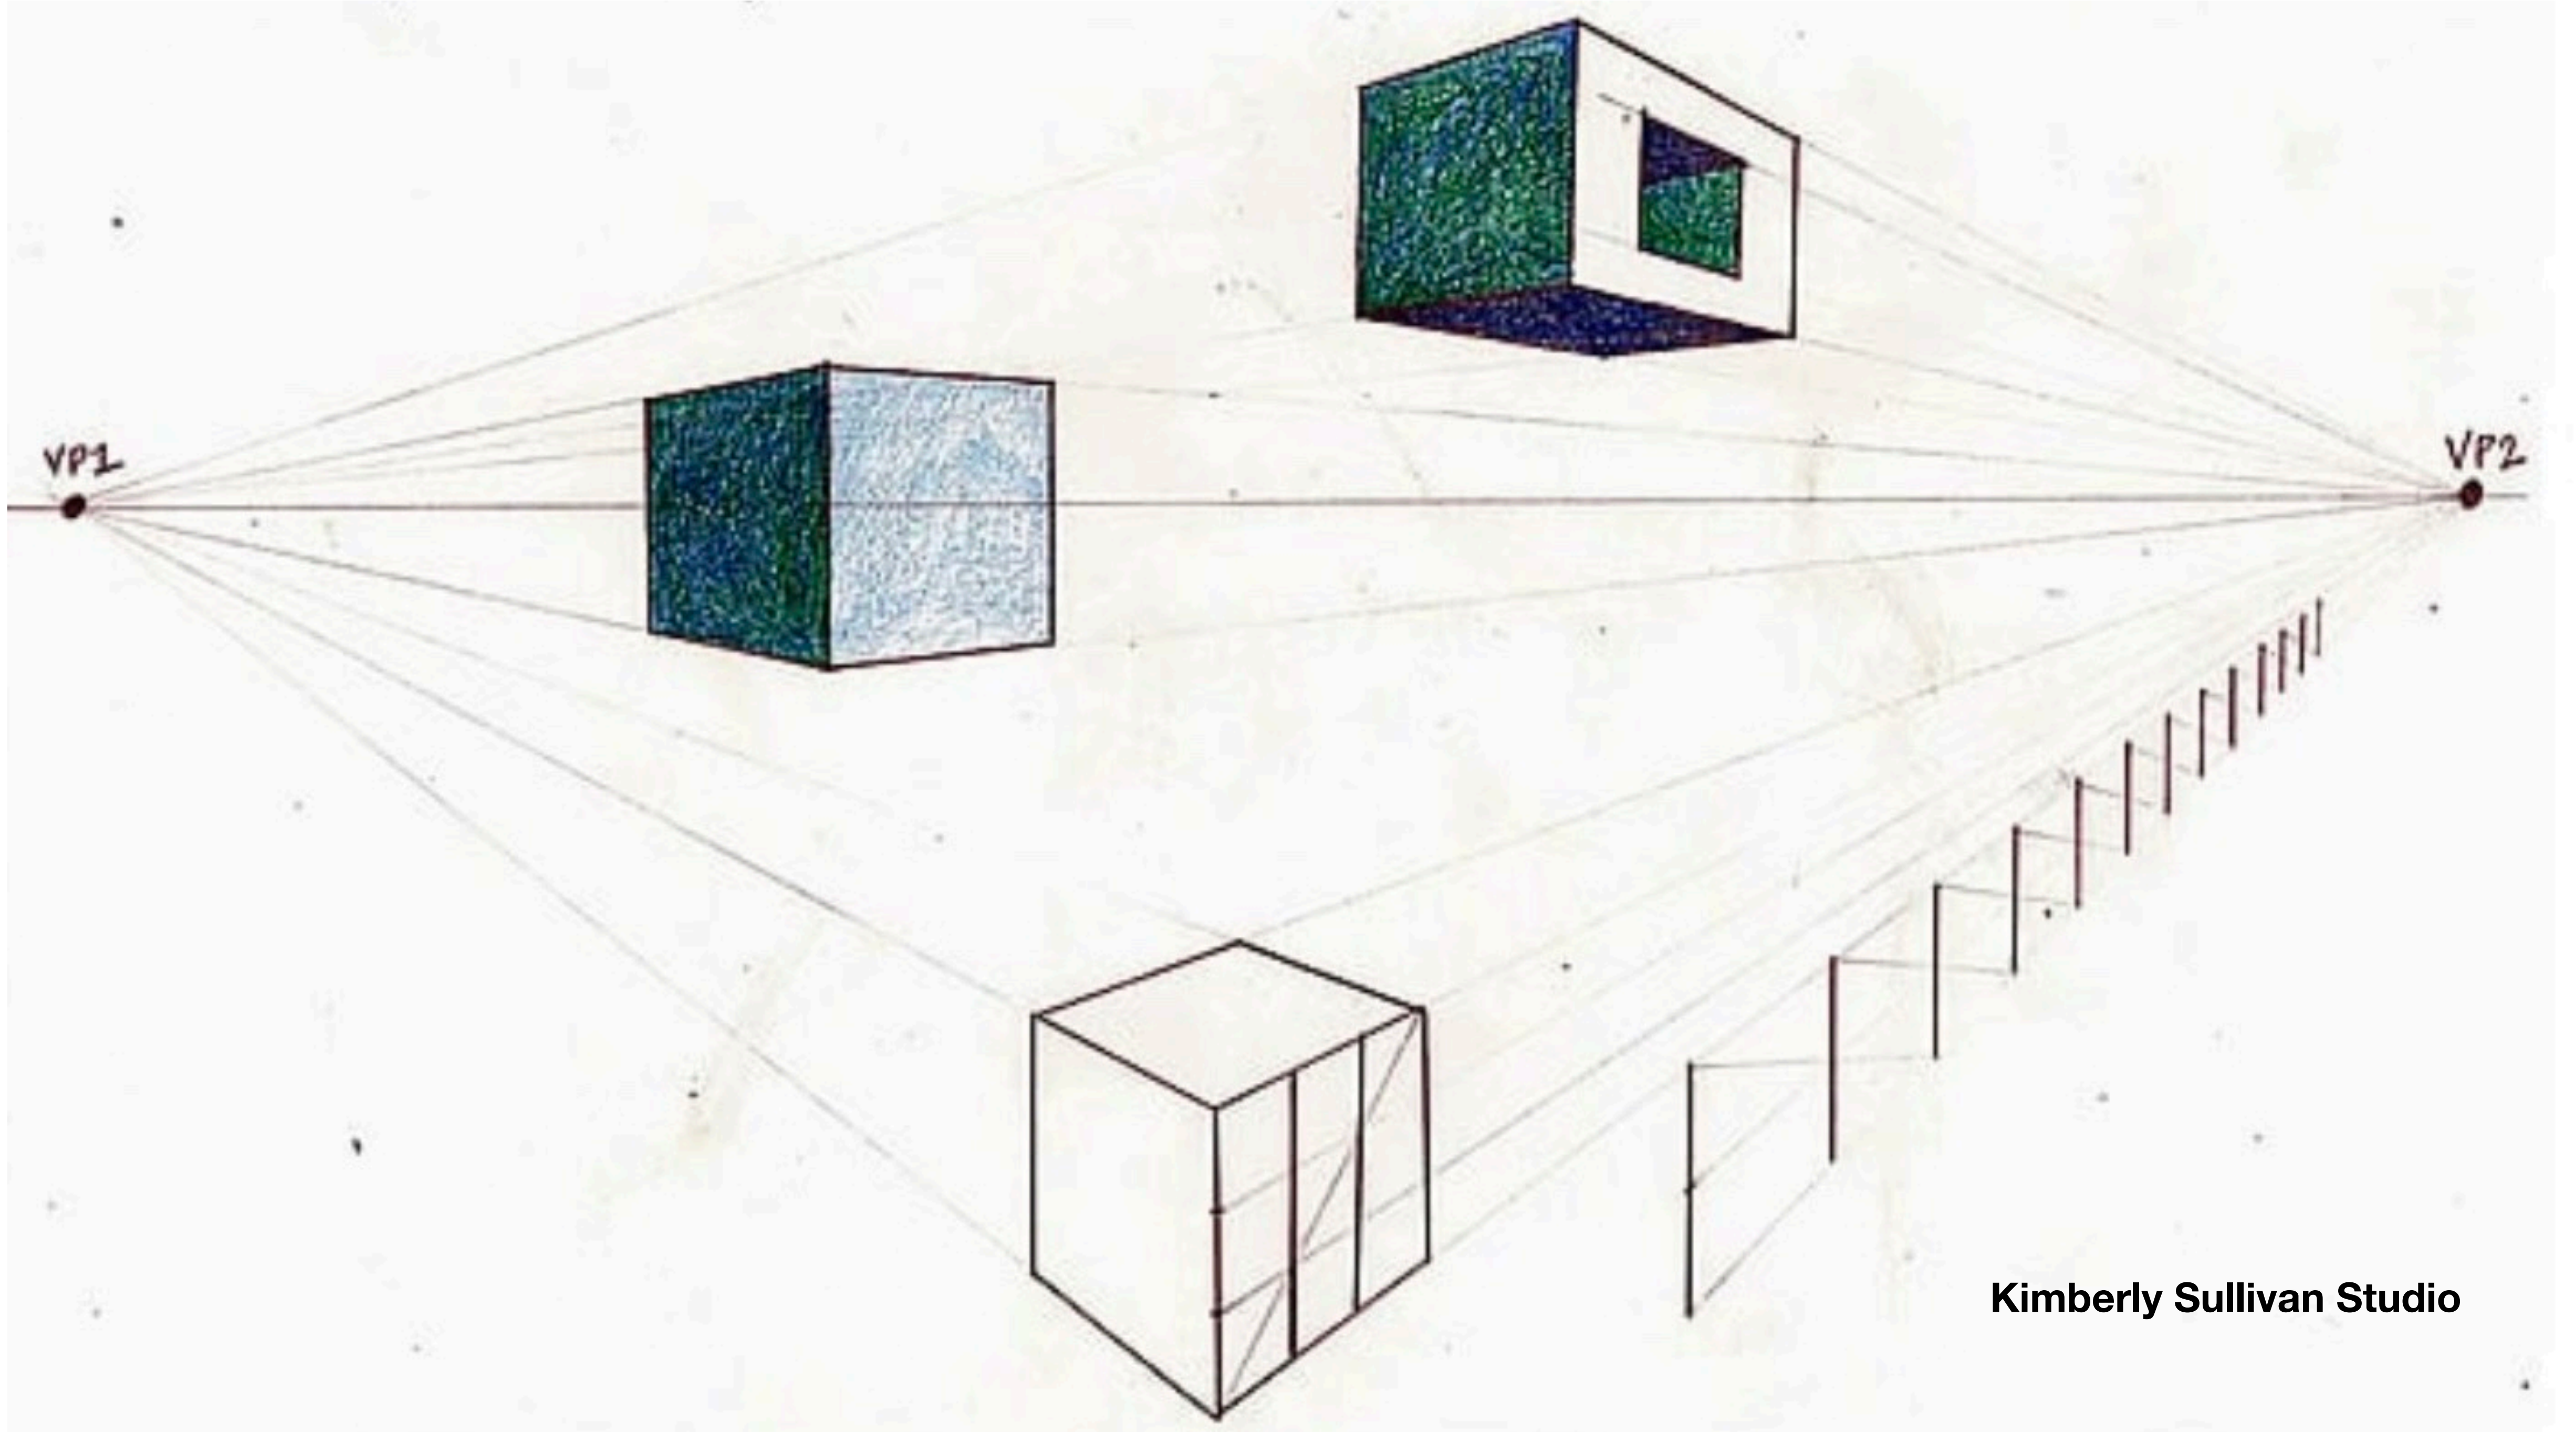

Two-Point Perspective

Draw a few practice sketches using two-point perspective.

Vanishing Point X

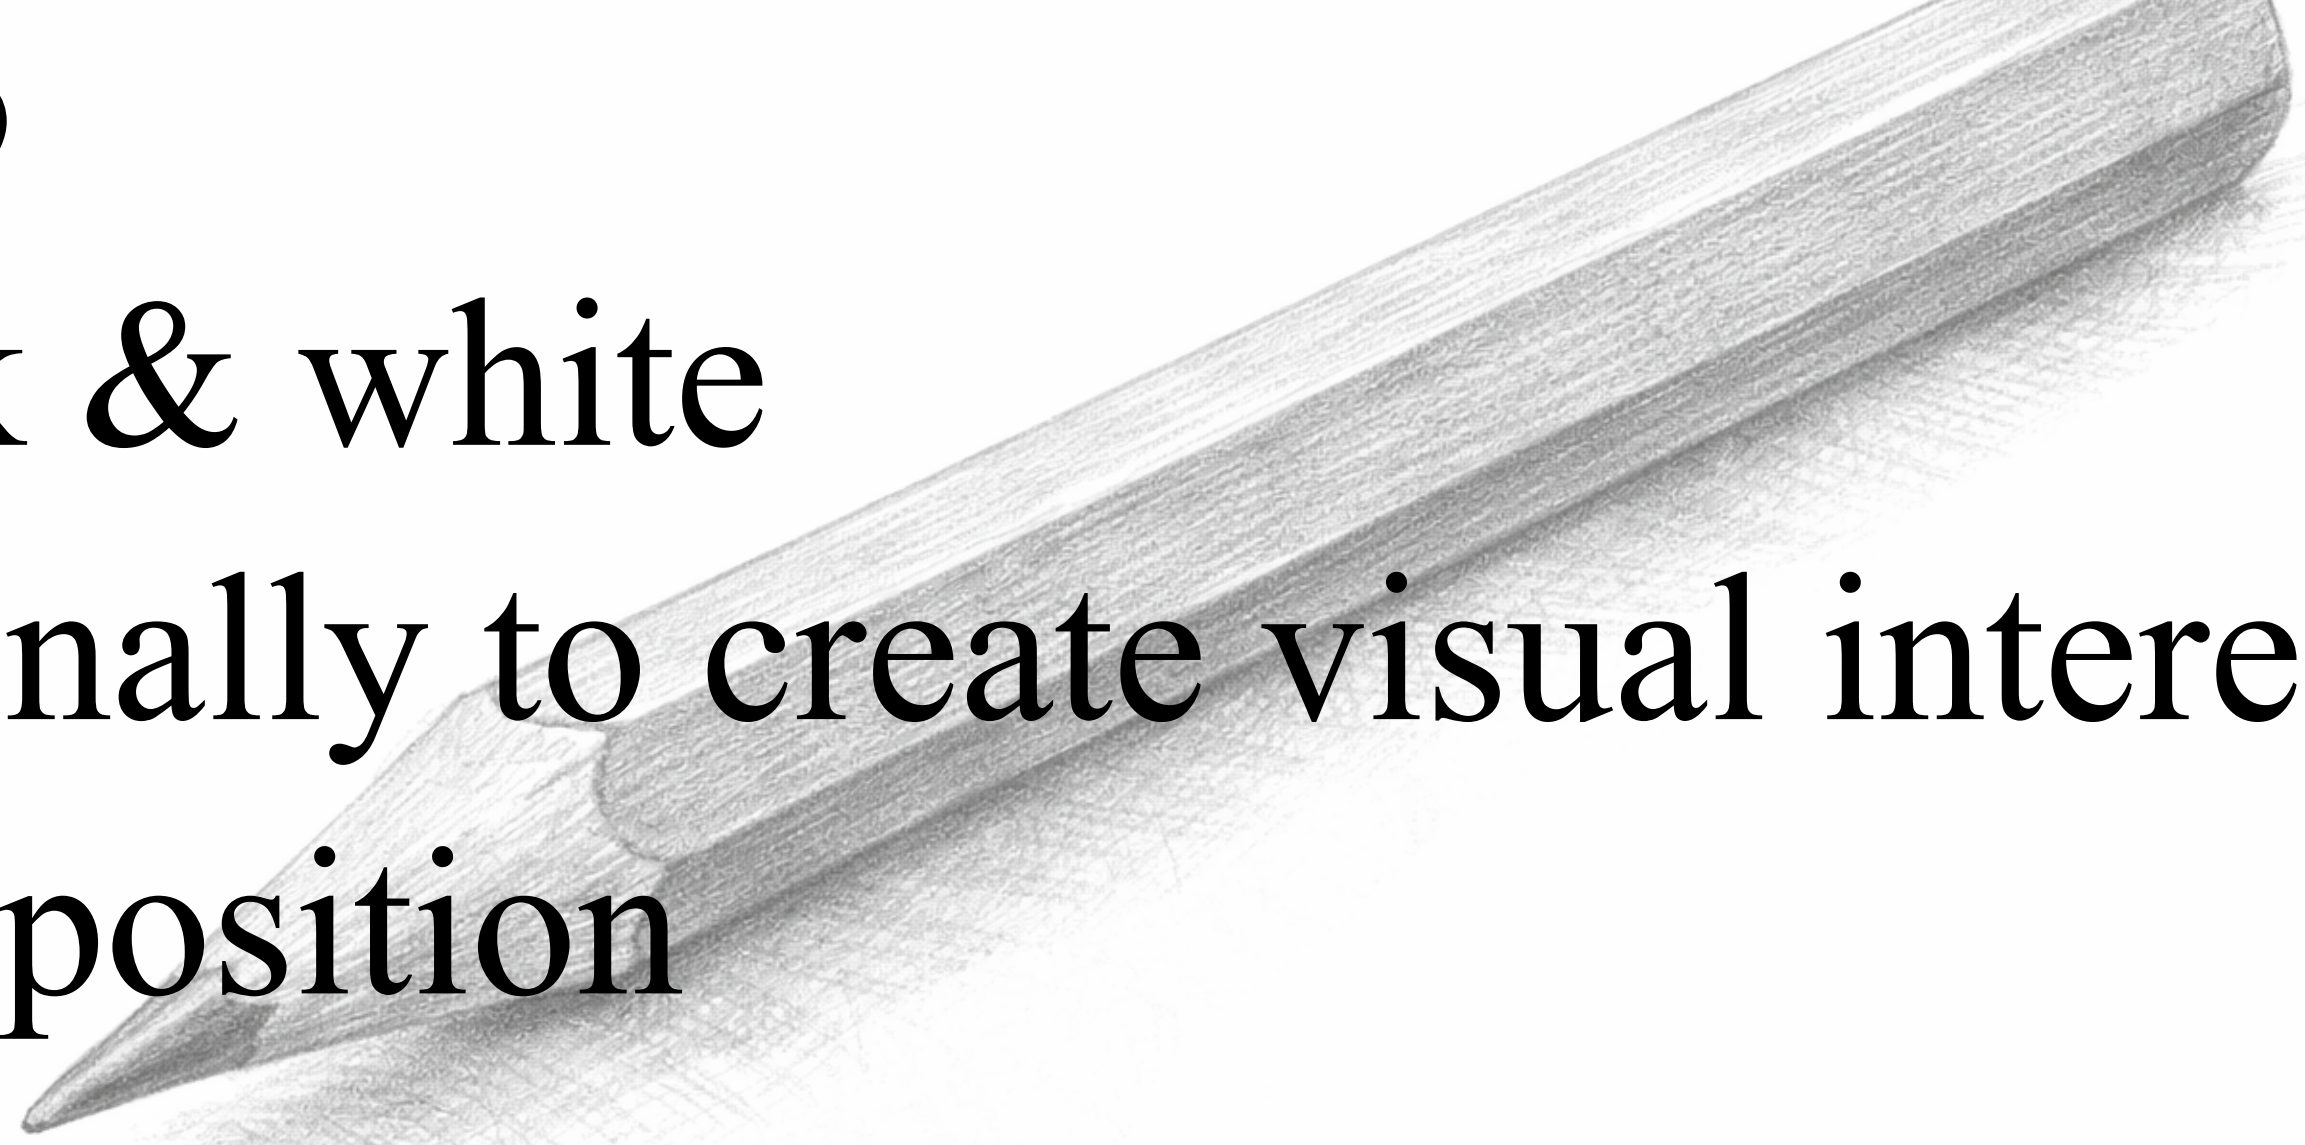

Vanishing Point X

- Two vanishing points
- Corner angle view

Kimberly Sullivan Studio

Final Project- 11 x 14 Drawing

- Select a personal photo
 - Convert image to black & white
 - Crop or zoom intentionally to create visual interest
 - Choose strongest composition
 - Texture variations
- 

Original Color Photo

Exposure

Contrast

Texture

Kimberly Sullivan Studio

Edited Black & White

Increase:

- Exposure
- Contrast
- Texture

Aim to create a strong, textured composition

Composition Check-In

- Where does the eye go first?
- Is there balance?
- Is there enough breathing room?

Kimberly Sullivan Studio

Composition Decisions?

What makes an “interesting” composition?

What to include

What to crop out

Where the focal point is

Balance and negative space

Class Drawing Time

Kimberly Sullivan Studio

After This Class

- Continue your sketch journal
- Draw from life
- Practice perspective scenes
- Consider Drawing 2

February 5, February 19 12:30 - 2:30

Before leaving today, please return your feedback form.

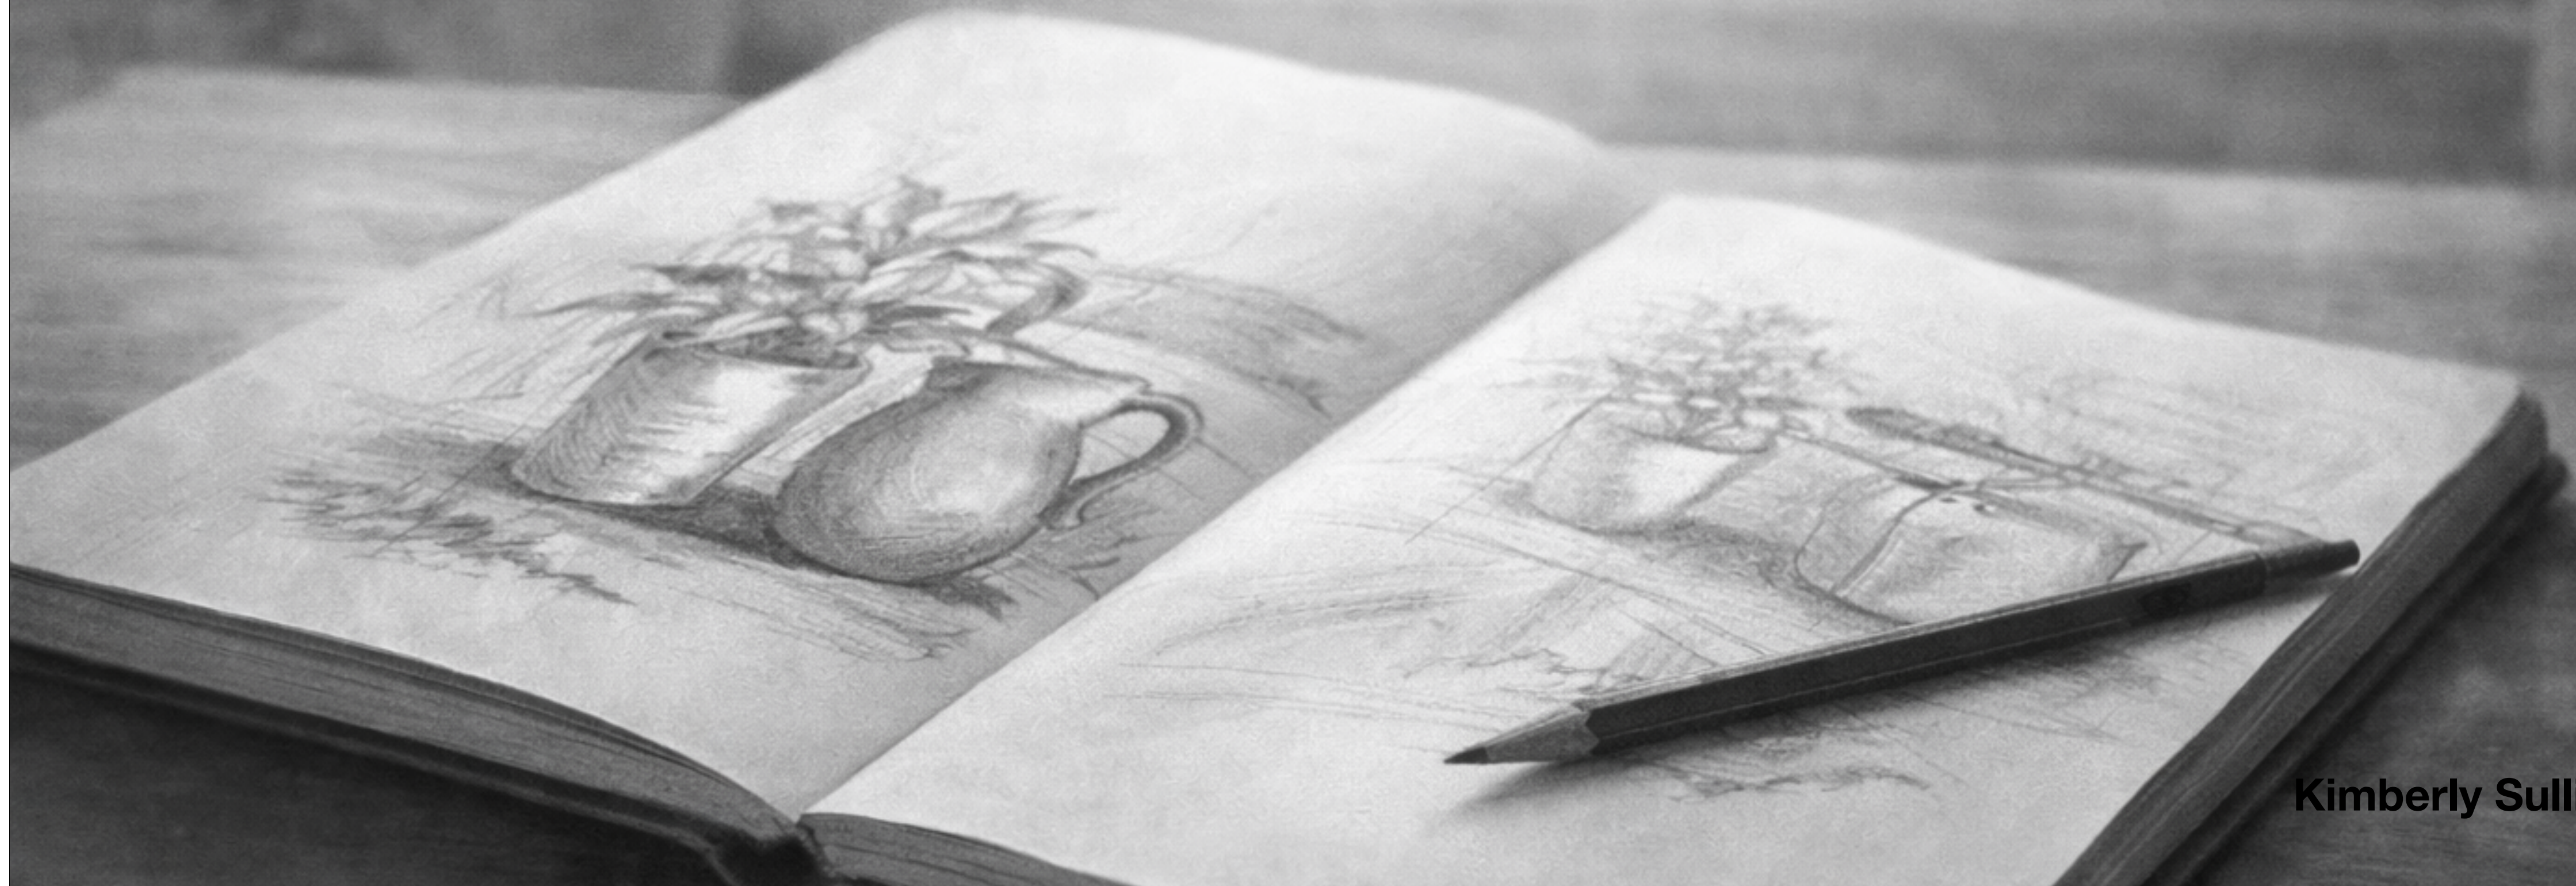

Consider sharing a short, video testimonial.

CLASS PHOTO with your selected drawing(s).

Kimberly Sullivan Studio

You didn't just learn
how to *draw* —
you learned how to *see*.
