REMO ONLINE EVENT PLATFORM

The Bolingbrook Black History Month Awareness Club is proud to present our 23rd Annual Black History Month Virtual Celebration. We are partnering with REMO- the future of interactive events platform providing an engaging experience. Our audience will leave this Black History Month event educated, encouraged, enlightened, and entertained with the support of this state of the art platform. This platform has been customized for our highly interactive event. As a result, sponsors will have an unprecedented level of face-to-face access with potential customer by using an innovative, multi-tiered advertising system with instant website access to your product and/or service. You will interact directly with participants, connect at virtual tables, network in live video conversations, exchange contact information easily, and plan follow-up meetings at a click of a button. Contact us to discuss how we can support you. Thank you for supporting the Black History Month Awareness Club as we fight for social justice together.
