What a year it has been! With your encouragement and support, we are proud to say that Live Love has effectively doubled our rescue impact this year. Thank you for joining us on this rescue journey. For sharing our rescue stories, for giving your friends and family the opportunity to support our work, and for being the foundation that gives us the gumption to dream big, innovate new life-saving programs and ultimately, to keep on rescuing.

★ Rescue highlights ★

- Foster the Fourth 2017 was a success. We partnered with LBACS to save 17 long-term residents and intercepted 4 owner surrenders. 19 dogs were adopted into loving forever families and pretty Fergie is now a Forever Foster
- Live Love rescued 71 dogs from LBACS (2017 records), which is more than any other rescue!
- Live Love partnered with Karma Rescue to save 9 dogs from Hurricane Harvey, healed 2 with heartworms and all are now in loving forever homes
- 2017 was a special year for some dogs that really beat the odds such as Meshe (who broke the internet), Folsom (our street rescue that fought to live), Gatsby (Christmas miracle) and so many more!
- We loved deeply and said goodbye to 9 wonderful angels, including beloved Sonny, sweet Mowgli, brave Jersey and so many more! Run free and we will see you one day!
- We grew the Board of Directors and have dedicated foster, adoption and grants teams to allow our rescue to grow more rapidly and efficiently
- Live Love gratefully received grants from Ian Somerhalder Foundation and Petfinder Foundation which are critical in helping us providing lifesaving care to many of our most sick and injured dogs
