  - **Easy to assemble with basic hand tools.**
  - **Heavy-duty casters, with ball bearings. Steerable with brakes in front, and fixed in back. 80+” long carts feature 6 wheels for improved maneuverability.**

## Henderson Rotary Die Transport Carts

Getting rotary dies to and from storage and press can be a challenge, especially with longer and heavier dies. Henderson Rotary Transport Carts feature a patented rail design that makes it easy and safe to transport dies to and from press. Dies are held securely, and Henderson Carts have sturdy plywood shelves at top and bottom to transport other job related items like tooling and even ink pails. Carts can accommodate 5 - 8 dies, depending upon the press configuration. Available for all popular press makes and sizes, including DRO, EVOL in a wide variety of die board inner diameters.

For shops implementing **Applied Lean Manufacturing** – TOW (Things on Wheels) takes tools or SMED (Single Minute Die-exchange) principles closer to application, increasing safety and reducing time constraints, resulting in **\$\$\$\$ return**. **Contact us today, we'll assist you with any Henderson Die Storage product!**
