

# Large 86" [1676mm] Rotary Rack

Storage for up to 10 'Jumbo' (622.3mm) wood I.D. dies

HENDERSON STORAGE

## Henderson Rotary Die Storage Rack Features:

- Strong, yet lightweight design
- All-steel construction
- Powder-coated for durability
- Mig-welded components
- Assembles easily and disassembles easily, for easy moving as needs change
- Easy to expand as storage needs change
- Half-height and half-depth racks available to maximize space usage

Extra-wide Phase 3 rails provide a secure and sturdy platform to safely support dies.
