

ALORA MEDICAL

PRODUCT & PROFESSIONAL DISCLAIMERS

1. RespiPEP Disclaimer

RespiPEP may support respiratory wellness through Positive Expiratory Pressure (PEP) therapy by assisting with lung expansion and mucus clearance.

It is not intended to diagnose, treat, cure or prevent any disease and should not replace professional medical advice, clinical assessment or prescribed treatment.

Use only as directed. Consult a healthcare professional before use if you have an existing respiratory condition, medical concern or are unsure whether the product is suitable for you.

RespiPEP is a **Class A medical device** manufactured and distributed by **Alora Medical (Pty) Ltd**, a SAHPRA-licensed medical device company.

2. Alora Instant Perineal Ice Pad Disclaimer

For external use only.

Use only as directed. Discontinue use immediately if irritation, skin reaction, increased pain or discomfort occurs. Consult a healthcare professional if symptoms persist or if you have any concerns regarding your condition.

The Alora Instant Perineal Ice Pad is not intended to diagnose, treat, cure or prevent any disease and should not replace professional medical advice, clinical assessment or prescribed treatment.

Manufactured and distributed by **Alora Medical (Pty) Ltd**, a SAHPRA-licensed medical device company.

3. Professional Pricing & Clinical Responsibility Disclaimer

Healthcare Professional Responsibility

Healthcare professionals are responsible for determining the price at which Alora Medical products are supplied or charged to their patients, taking into consideration their own professional judgement, practice policies and applicable business practices.

Gauteng

Any patient-facing pricing is determined solely by the healthcare professional and remains their responsibility. **Alora Medical does not prescribe, determine or control the price charged to patients by healthcare professionals.**

Healthcare professionals remain responsible for exercising their **independent professional clinical judgement** when recommending, supplying or using an Alora Medical product. This includes determining the suitability and appropriateness of the product for the intended patient, indication and use.

Healthcare professionals are further responsible for ensuring that products are supplied, recommended and used in accordance with all applicable professional guidelines, ethical requirements, laws and regulations.

Alora Medical provides product information to support informed professional decision-making. Such information does not replace the healthcare professional's independent clinical judgement, professional obligations or responsibility for patient care.
