December 2023

Every great journey begins with one step, and it begins with moving forward, turning on the engine, and shifting into the right gear at the right time. Remember, going through pain is temporary and it will subside, but quitting on the other hand lasts forever.

REFLECTION OF 2023

“I would have lost heart, unless I had believed that I would see the goodness of the Lord in the land of the living.”

Psalm 27:13

Reflecting on the year 2023, we are convinced that God has brought us from a long way. Morne Pele Christian School has made great progress. However, it was not without its challenges both anticipated and unanticipated. Haiti's political unrest with its environment of anarchy, rebellion, and strife were not a surprise to us; however, the addition of natural disaster was unanticipated and posed even more and greater challenges. Amid all these pitfalls, we still experienced God's favor and His goodness so that we were able to continue to move forward with our construction efforts.

“Oh, how great is Your goodness, which You have laid up for those who fear You, which You have prepared for those who trust in You in the presence of the sons of men! You shall hide them in the secret place of Your presence from the plots of man; You shall keep them secretly in a pavilion from the strife of tongues.” Psalm 31:19-20

Obtaining construction materials became more difficult, prices skyrocketed, with great difficulties in transporting materials to the site; despite all these challenges, we continued to move forward and today we have made great progress in the school building. These breakthroughs encouraged our hearts and strengthened our faith that God is truly with us.

We have also begun the application process in the Town Hall office of Haiti for approval to operate Morne Pele Christian School in Cap-Haiti. Our goal is to open school August 2024. There is still a great deal of work to be done. We ask for your continued prayers and financial support as we move forward in this great mission God has entrusted us. We step into the new year with renewed focus and determination.

"... don't allow yourselves to be weary or disheartened in planting good seeds, for the season of reaping the wonderful harvest you've planted is coming.
Galatians 6:9
