Machine Quilting Service

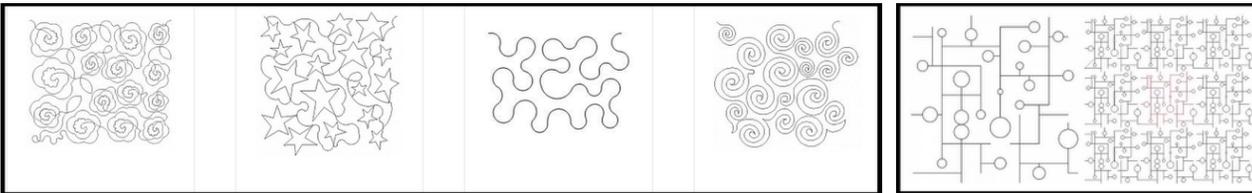

Machine Quilting from AAR Creations is a great way to quickly finish your masterpiece! By allowing me to assist you with stitching designs that will complement your quilt top, you will be able to adorn your home or gift your quilt in no time.

Examples of Quilting Designs

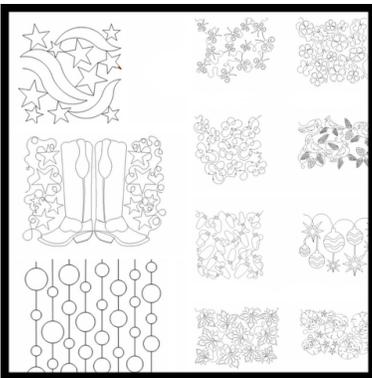

Traditional/Elegant Designs

These designs consist of: Paisley Feathers, Curls, Swirls, Loops & Swirls, Stipples, Florals, Leaves, Vines.

Modern/Contemporary

These designs consist of, but not limited to: Geometric shapes, Loops, Squares, Swirls, Flames, Woodgrain, Meander, Stipple, Circles & Lines.

Novelty/Themed

Large category: Animals & Insects, Baby/Kids, Nature, Sports, Food, Holidays, Seasonal, Special Occasion.

Thread choices

In most cases thread should be chosen to fade into your background as to allow the design of the quilt to be the stand out feature. When thinking about your choices, consider looking at the color dots on the edges of your fabric. Clip and send along the color dot strip with your favorite color highlighted. From there, we will start the process of choosing your thread.

Putting it all together:

Measuring your quilt –

Measure length _____. Measure width _____.

L _____ x W _____ = _____ (total square inches of quilt top)

Selecting your computerized quilt design. A few questions to answer for me.

1. Who is the quilt for? _____. (Child, Boy, Girl, Woman, Man, Young, Old.)
2. How will the quilt be used? _____. (Bed cover, floor mat, cuddling, etc.)
3. Of the above quilting design categories, which would best describe your quilt? **Circle one:** **Traditional** **Modern/Contemporary** **Themed**
4. Of the descriptions listed in the categories, which design descriptions best interests you? (Leaves, Loops etc.) _____, _____, _____.
5. Would you like your thread to appear as a visual design element or compliment the quilt in a subtle way. **Circle one:** **Stand out** **Be Subtle** **Quilter's choice**
6. I choose to let my machine quilter choose: **Pattern** **Thread** **Both**
which complements my quilt.
