Another Successful Book Sale!

Our January Big Book Sale, held at the new site, an airport hangar at 3184 N. Lear Avenue, was a success. The sale opened to educators and Friends members on January 23 and continued through the weekend. Proceeds from the Big Book Sale came to \$2,483.89, which will be used to support library services and collections.

Spring into a Lovely Yard!

CHECK OUT THE SEED LIBRARY!

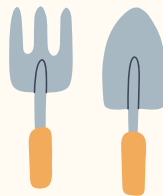

The Seed Libraries, at the Main and Vista Grande Libraries, provide the opportunity for library patrons to check out seeds to use in their gardens. Seeds are cataloged in the library catalog and patrons can search by plant variety. Gardeners are encouraged to contribute seeds from plants in their own gardens. The Seed Library was established in 2021 with a goal of reducing local food insecurity.

President's Corner

Hello fellow library lovers!

On March 26th, the Friends of the Library hosted the monthly After Hours for the Casa Grande Chamber of Commerce. We had an ice cream social and provided sundaes to the attendees. The strawberries and bananas were a huge hit! We had about 40 attendees, including Friends of the Library board members.

The event allowed us to introduce the community to the library and the Friends of the Library. We had the bookmobile at the library, providing tours to the attendees and allowing them to visit the inside of the library to see all the resources and services.

I want to say "Thank You" to all the board members who helped to pick up supplies, set up the event, host, and tear down the event. You all were fantastic and helped support our mission. Keep up the good work and I look forward to hosting in the future.
