

Allant Federal Overview

- **SBA certified economically disadvantaged woman and veteran-owned small business**
- **CMMC level 2 compliant infrastructure, pending Top-Secret facilities clearance**

Allant has an experienced staff of professionals who partner with our primes to achieve cost-effective service delivery options.

Allant delivers innovative, cost-effective services and solutions to meet our client's mission requirements.

Allant has developed a human ecosystem of 100 subject matter experts across 36 industry partners. The ecosystem was assembled to support our clients in delivering leading-edge solutions and value-add services. We operate this ecosystem because expertise is everywhere, not in one company or team of companies.

Operating Principals
