THE GROUP

The Journey & Subsidiaries

In the early 1980s, two brothers set out to establish a trading company in the middle east with limited resources at hand.

Today by the grace of Allah, **Redco Group** has expanded and established itself in a variety of sectors across several countries.

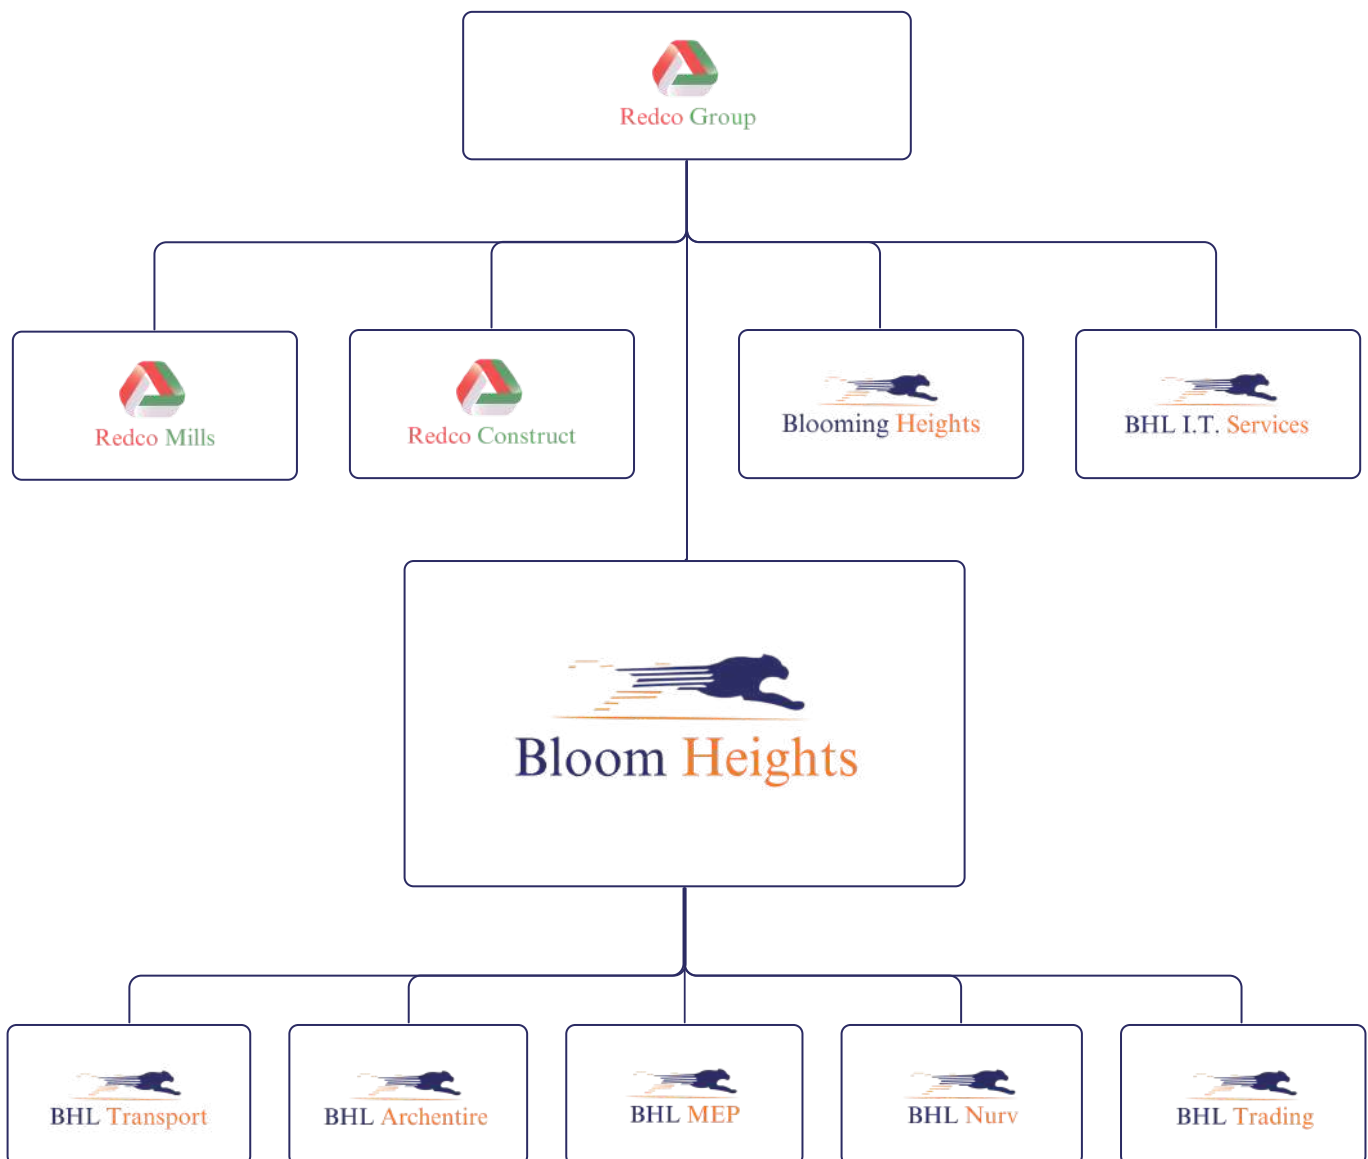

Redco Construct, the construction contracting arm of the group has completed numerous building, infrastructure and industrial projects in Pakistan. With a strong and experienced technical team and assets in place, the company is well-positioned to take up any major construction project in the region.

Blooming Heights, is a Qatar-based trading, construction and transport company with a strong network, stellar reputation and top-quality services. We have trusted vendor partnerships, ensuring competitive prices for high-quality materials. With skilled professionals and modern technologies, we excel in diverse projects, exceeding client expectations.

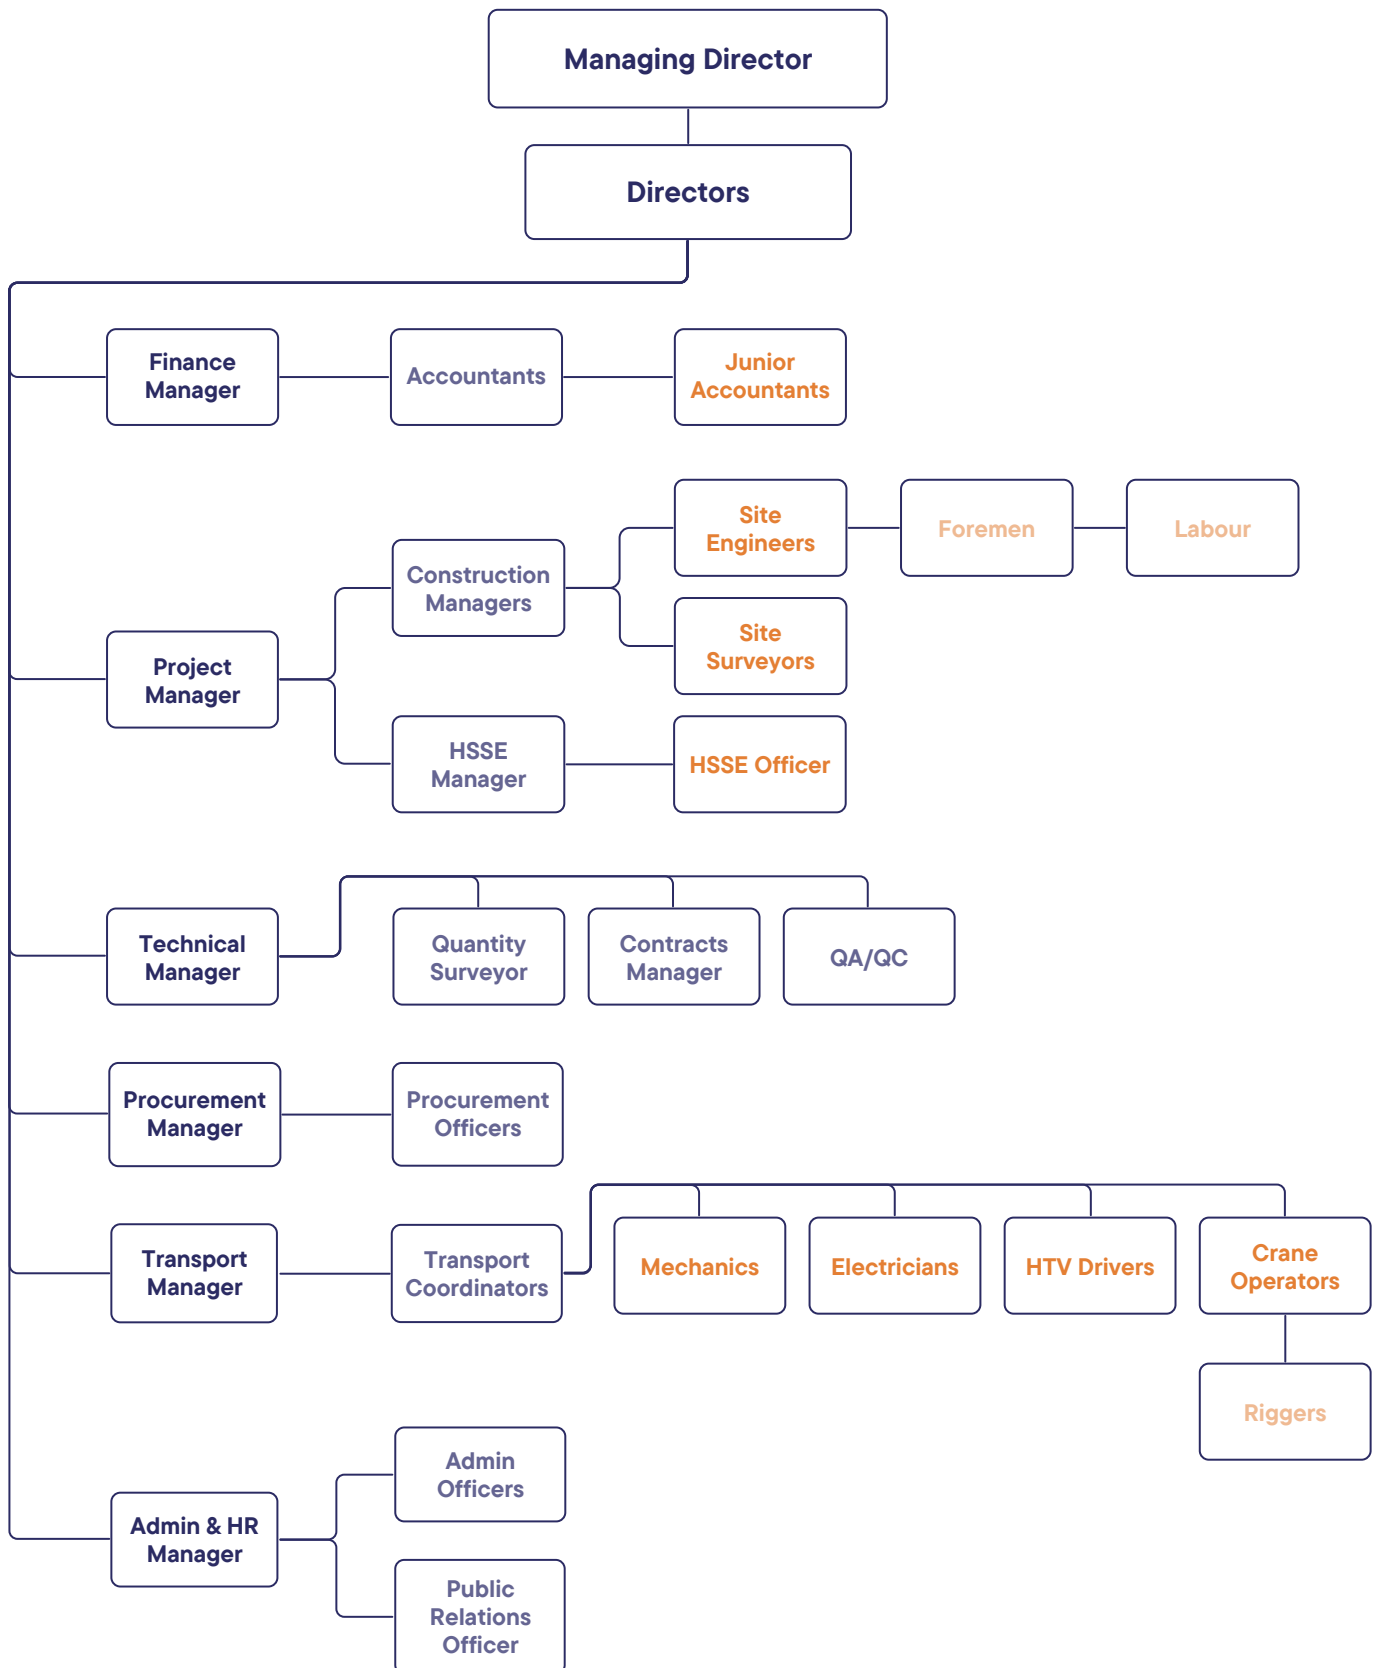

BHL I.T. is a trusted IT services provider specialising in accounting and engineering design. With a strong HR team, we ensure top-notch talent acquisition and retention, allowing us to deliver exceptional services. Our competitive prices and commitment to timely project delivery set us apart in the industry. Choose [Company Name] for reliable IT solutions tailored to your accounting and engineering design needs.

BLOOM HEIGHTS & THE STRUCTURE

Bloom Heights, our newly formed company in Saudi Arabia is a culmination of our experiences in the industry and region for the last 40 years. From construction and interior finishing to MEP installations and transport logistics we draw the best of our talent, experience and resources required to service the mega projects the Kingdom of Saudi Arabia has set forth for its Vision 2030 and exceed industry standards.

INTERIOR FINISHING

At **BHL Interiors**, we turn architectural build visions into tangible realities. With a steadfast commitment to quality, innovation, and excellence, we have emerged as a leading force in the construction industry. Since our inception, we have been dedicated to transforming spaces and communities through our comprehensive range of construction services.

BHL Interiors was born out of a shared passion for construction and a deep understanding of the industry's evolving demands. Our founders envisioned a company that would not only construct buildings but set new benchmarks for construction excellence.

What Sets Us Apart & Our Services

Our team comprises of architects, engineers, project managers, and skilled craftsmen who bring a wealth of knowledge and technical proficiency to every project. From concept to completion, we offer comprehensive expertise that spans all aspects of construction but specifically focused on interior finishing.

We embrace cutting-edge technologies and modern construction methodologies, ensuring that our projects are not only aesthetically pleasing but also sustainable and efficient. Innovation drives us to find creative solutions to complex challenges.

We believe that successful projects are the result of effective collaboration. We work closely with our clients, architects, and other stakeholders to ensure that every project aligns with the intended vision and goals.

INTERIOR FINISHING

Uncompromising quality is at the core of everything we do. From the selection of materials to the execution of intricate details, we are dedicated to delivering workmanship that stands the test of time.

The well-being of our workforce and the community is paramount. We adhere to rigorous safety standards and implement proactive measures to create secure construction environments.

Our integrated design-build approach streamlines the project by combining design and construction services under one roof, minimising potential conflicts and ensuring a smoother workflow.

Our seasoned project managers meticulously plan, monitor, and control projects to ensure timely delivery, cost efficiency, and quality outcomes. We breathe new life into existing spaces through thoughtful renovation and remodelling, enhancing functionality and aesthetics. Committed to sustainable practices, we offer eco-friendly construction solutions that minimise environmental impact while maximising energy efficiency.

Over the years, **BHL Interiors** have contributed to the transformation of communities, leaving an indelible mark through our iconic structures. From award winning residential complexes and commercial mixed use buildings and educational institutions. Our portfolio reflects our dedication to excellence and our clients' satisfaction.

At **BHL Interiors**, we don't just construct buildings; we construct well thought out, design led build solutions. Join us in building a future where innovation, collaboration, and quality craftsmanship converge to shape a better build environment.
