

Annual Report Status

Northern California Grooming Academy was granted approval by the BPPE in October 2023. Given that this approval was only recently awarded, we have not yet reached the point where filing an Annual Report is required. As a result, we do not have an Annual Report available at this time.

Please be assured that once our first Annual Report is prepared and submitted in accordance with BPPE requirements, we will make it available on our website for your review. We appreciate your understanding and patience as we work to fulfill this obligation.
