Announcement for Sunday, November 2, 2025.

United in Prayer: Up-to-date Requests from our Missionaries

Pelham United Reformed Church is a daughter church plant from Wellandport URC.

1. Thanksgiving and Continued Blessing: Give thanks for the Lord's evident providence in the formation of the new Pelham congregation. Pray that He would continue to bless their worship, nurture their unity, and cause the light of the gospel to shine brightly in their community.
2. Faithfulness and Fruitfulness in Witness: Pray that the Pelham congregation would be a faithful and fruitful witness to Christ in an area described as spiritually dark and economically struggling. Ask that many who dwell there would be drawn to the truth of God's Word and the joy of salvation in Christ.
3. Provision for Facilities and Long-Term Stability: Pray for wisdom and provision as the new church continues to face challenges related to location and facilities. May the Lord open doors for a long-term home that serves the needs of the congregation and its outreach in the region.
4. Encouragement for Leaders and Members: Pray for strength and perseverance for the elders, deacons, and members involved in establishing this new work. Ask that the Lord would guard them from discouragement and give them joy in serving together.
5. Broader Vision for Church Planting: Pray that the example of Pelham would inspire other congregations to consider how they might extend the boundaries of gospel light in their own regions. Ask that the Lord would raise up workers and resources to plant many more churches across Canada.
