You are invited to join us for the Mesa Public Schools Foundation's 3rd annual Business Partnership Breakfast.

The Mesa Public Schools Foundation (MPSF), a non-profit 501c3 corporation, has served students, teachers and staff within Mesa Public Schools for nearly three decades. In the academic year of 2020-2021, the MPSF and local businesses and organizations contributed over \$75,000.00 in grants for innovative programs and teacher initiatives to enrich learning in the classroom and prepare students for career opportunities. We believe these contributions will be manifested in the futures of our students and our community.

The mission of the Mesa Public Schools Foundation:
"Schools and Community Working Together to Enhance Student Success"

Understanding that our schools cultivate the community's future workforce, the Mesa Public Schools Foundation and Mountain View High School invite you for continental breakfast, presentations and an abbreviated tour, **Wednesday, October 20, 2021 at 8:30 am at Mountain View High School located at 2700 E. Brown Road, Mesa, Arizona 85213.**

The goal of the Business Partnership Breakfast is to continue to build strategic community partnerships that will enhance student success. By partnering with schools in this way, we prepare a high-quality workforce for the city of Mesa and the state of Arizona.
