

List of Blue Water Navy Ships Exposed to Agent Orange (Interactive Vietnam Map)

ATTENTION BLUE WATER VETS (AND FAMILIES):

On June 25, 2019, the [Blue Water Navy Vietnam Veterans Act of 2019](#) was signed into law. The law defines service connection to veterans who served in the Blue Water Navy. We've built this interactive map to determine if your ship was inside the zone.

FROM YOUR OWN RESEARCH

Did you know you can [research ships](#) and add your own research to our site? [Click here](#) to learn more.

SELECT FROM EXISTING SHIPS

Select Ship 

This list is NOT yet complete.

You can submit information from your own research on this page. After you enter the coordinates on the TEST COORDINATES form, you'll find an "Add to Database" button below which you can use to submit the ship name, date and other information for inclusion in our database.

Enter the coordinates that you want to check. Our map will determine if you were within 12 nm of the zone created by the law.

If you'd like to save your map for later, click the Save button and save the URL provided.

If you have any feedback, please [contact us](#).
