3. Need a new liaison for the AVVA.
4. Introduced new member, Norman Sinowitz, and made us aware of 4 other new members: Stephen Amarant, Ronald Ray, Theodore Tanglis, and Arland Rakowsky
5. The president gave a short, impassioned, and apologetic speech, bringing up an incident that took place during last month's meeting, where one of our members instigated a "disgraceful confrontation" with another member over a minor issue. Vicious and uncalled-for statements were uttered loudly by the member in front of and uncomfortably witnessed by all attendees. The President asked the offending member to apologize to the subject of his out-of-line attack. He refused and, indignantly, stated that the offended member should apologize to him. He was given another opportunity to apologize. He refused and resigned his position in the chapter.
6. Officer elections will be held during the April 7<sup>th</sup> meeting.
7. All agreed that the words "family and friends" should be eliminated from our web page header that invites "friends and family" to the meeting and enjoy our meal. That should be reserved for members and their spouses only. We were reminded that we are not a restaurant.
