

Why should you attend a VVA Chapter 23 meeting?

A word from our 1st Vice President; SGT Richard J Bongiorno

Our Chapter meets on the 1st Tuesday of every month, officially at 1730 Hrs (5:30 PM). However, most of our members usually arrive at 1630 Hrs for a full-course meal, plus dessert. The full-course meal is paid for by Chapter 23. After dinner, we start the meeting. The primary focus of our Chapter meetings is to ensure our Veterans receive the V.A. Benefits they earned and deserve. Secondly, we help our Veterans navigate through the difficult V.A. Healthcare System.

New VVA members are welcome at our meetings. New VVA members should bring their DD 214 to the meeting so they can join and become a member of the Chapter. Enlisted and Officers are welcome. Membership fees are paid for by Chapter 23. VVA Members are "boots on the ground" or Vietnam Era Veterans. All Veterans with service dates from November 1st, 1955 thru April 30th, 1975 will be Chapter 23 members, free of charge.

Other Veterans and AVVA Members can join Chapter 23, also free of charge. Veterans of any military branch or time period are welcome. In addition, Civilians or family members of VVA Members are welcome to join and help support Chapter 23 and serve in any capacity needed.
