

Job Posting

Job Title	Disability evaluator for veterans
Company Name	Affinity Health Psych Corporation
Location	Woodland Hills, CA
Department	Psychology
Salary Range	160-175hr

Job Description/Overview

Affinity Health Psychological Corporation is hiring!

Affinity Health Psychological Corporation is currently seeking a licensed psychologist for a contract 1099 position. This role is ideal for a psychologist looking to supplement their current work with a part-time opportunity.

This position is affiliated with the Veteran's Benefits Administration (VBA), and you will be serving active-duty and non-active-duty military service members. The primary responsibility involves conducting one-time mental health disability assessments. These assessments focus on functional limitations in occupational and social settings. Case-specific duties also include record review and providing medical opinions.

The role is primarily in-person at our Woodland Hills, CA office, with the possibility of telehealth cases. You would generally work 1-2 days per week, depending on your availability and contract needs. Initial onboarding training is provided online by the contracting company, with additional case-specific training offered as needed.

Our office provides two receptionists, three additional meeting rooms and free parking.

Warmly,

Dr Jenna I. Metellus, PsyD
