Job Posting

Job Title	Associate or Assistant Professor
Company Name	University of Florida
Location	Gainesville
Department	Clinical and Health Psychology

Job Description/Overview

The Department of Clinical and Health Psychology at the University of Florida is excited to invite applications for 6 tenure-track Associate or Assistant Professors: 3 in Clinical Health Psychology and 3 in Clinical Child/Pediatric Psychology.
These are full-time (1.0 FTE), 12-month tenure-track positions in our APA-accredited clinical psychology doctoral program.
For the Clinical Health Psychology positions (job number 541651), we welcome all subspecialties; however, established collaborations with UF Health include solid organ transplant, psycho-oncology, pain and chronic illness, weight management, and/or sleep.
For the Clinical Child/Pediatric Psychology positions (job number 541652), while broad areas of research will be considered, there is particular interest in psychologists with research and clinical specialization in 1) trauma care and suicide prevention, 2) pediatric psychology (i.e., diabetes, sleep medicine, asthma/pulmonology), and 3) autism spectrum disorders.
The positions emphasize research, along with clinical, teaching, and service responsibilities. We seek candidates eager to contribute to our strong, collaborative interdisciplinary environment. Applicants must have a doctoral degree in Clinical Psychology with a pre-doctoral internship from an APA-accredited program; candidates must be licensed or license-eligible in the State of Florida. Interested candidates should submit a curriculum vitae, a letter of interest, and contact information for three references. Application review will begin immediately and continue until a suitable applicant pool has been established.
If an accommodation is needed to apply for this position, please call 352/392-2477 or the Florida Relay System at 800/955-8771 (TDD). Hiring is contingent upon eligibility to work in the U.S. Searches are conducted in accordance with Florida's Sunshine Law.

Qualifications

Ph.D. in Clinical Psychology
Licensed or license-elligible in Florida
