

Fast CAT®

at

Georgia National Fairgrounds - Perry, GA

hosted by Macon Kennel Club

May 13-16, 2021

“How fast can my dog run?” Many owners have found themselves wondering that at one time or another. Well, the American Kennel Club has devised an exciting sport to help answer that question! The Fast CAT test is a timed 100 yard dash for dogs. It is a fun and healthy activity for dogs and their owners which will answer the intriguing question In the FAST CAT®, dogs chase a lure in a straight line 100-yard dash and the dog’s time is converted to give their average speed for the run in miles per hour. Owners can then see how fast their dogs their dogs can run!

Dogs can earn titles as well; each dog’s speed is converted into points after taking into account their height handicap, and once a dog reaches a specified number of points, titles are awarded to all dogs that are at least twelve months of age and are individually registered or listed with the AKC (registered purebred, FSS, PAL or AKC Canine Partner). Most dogs instinctively chase the lure once it starts moving, the course is straight so no sharp turns are required, and the area is fenced to allow the owner to easily catch dogs who may not recall quickly.

Dogs of all shapes, sizes, breeds, and pedigrees are welcome to come out to GNFG in Perry, GA on May 13-16, 2021 and give Fast CAT a try. The events are sponsored by the Macon Kennel Club.

LIMITED Fun Runs will be available to those who just want to see what Fast CAT is all about. Your dog does NOT have to be registered with the AKC to do a Fun Run.

On-site registration will take place from 10 am to 2 pm Thursday May 13th - Sunday 16th · until the event fills. **Please check the website for entry and weather updates. www.speeddogcoursing.com**

Come run with us!!
