Personalized registration plates that are lost or stolen cannot be replaced. The customer is eligible for a free personalized replacement; however, a new personalized configuration will be required.

When requesting to replace your current registration plate, the registration plate will be replaced with the same style of registration plate that was previously issued to the customer, regardless of if the customer's plate was illegible, defaced, lost or stolen. However, if the registration plate has been redesigned, the customer will receive the new design. If the registration plate is no longer available, a standard issue registration plate will be issued.

If a customer is requesting the plate be replaced with the same configuration, they will be required to pay the personalization fee unless it was personalized previously. This fee is in addition to the replacement fee, if applicable.
