

Congratulations on your new home!

Welcome to Emmett Highland.

Your Homeowners Association welcomes you to the neighborhood and we hope you come to love it as much as we do!

The annual HOA fees are \$1,000 per year, billed quarterly. **These fees cover some great amenities, that includes the following:**

Fiber Internet Service of 50 mbps through Fatbeam. To activate call 208-332-0188.

You can also upgrade your service to a faster speed directly through Fatbeam. Any upgrade will be billed separate from your HOA fees. You can provide your own router, or you may rent or purchase one through the provider.

Irrigation and Common Area Landscaping. Irrigation season is April through early October. The HOA will notify residents when irrigation water is turned on and when it will be turned off for the season.

Basketball and Pickleball Courts. These courts are intended for HOA residents and their guests.

Community Pool. The pool is accessed through an app on your cell phone. Each resident who wants pool access must first review and sign a form. Key cards for the pool are also available for an additional annual fee. **The Pool Waiver, Release, and Assumption of Risk form is available on the HOA management website.**

Pool season is typically Memorial Day through the end of September contingent upon the weather conditions.

Emmett Highland HOA

The maintenance on the amenities are paid for by the HOA dues. Homeowners are responsible for following all the rules and regulations associated with these amenities and for the use of these amenities by any guests or renters. Our goal is to maintain the beauty, safety, and harmony of our community while ensuring a great living experience for all residents. Please refer to all the CC&Rs which are available on the HOA management website. **Rose Management is our HOA's management company, and the website is:**

<https://therosemanagement.com/emmett-highland-hoa>

Here you will find community news and resources, which include important documents and a portal to pay your HOA dues.

COMMON RULES THAT HOMEOWNERS SHOULD BE AWARE OF:

1. Maintenance, Repair, Restoration, Reconstruction. In the event the improvements on any Lot shall suffer damage, destruction or disrepair from any cause, the Owner thereof shall undertake the repair, restoration, and reconstruction thereof within thirty (30) days of such damage or destruction and diligently prosecuted to completion. In the event the restoration or reconstruction requires more than thirty (30) days to commence, the Owner may request an extension from the Board by providing schedule and efforts to complete and the Board may impose reasonable requirements on scheduling and completion. If after ninety (90) days the repair, restoration or reconstruction of such damaged or destroyed improvements has not taken place, the Association, upon thirty (30) days prior written notice to the Owner of such Property, shall have the right to correct such condition, and to enter upon Owners Lot for the purpose of doing so and such Owner shall bear all costs incurred by the Association, a lien shall be applied to the Lot.

2. Signs/Flags. All signs, flags, or similar displays to the public view on any Lot shall be subject to the prior written approval of the Committee which may be denied in its sole discretion, except the following which do not require prior approval:

- (1) one sign of not more than five (5) square feet advertising the Property for sale or rent and consistent with the Emmett market;
- (2) Political signs (as defined in I.C. § 55-115) no more than 3'x2' may be displayed for a period up to one month before Election Day and shall be removed from the Lot on the day immediately following Election Day;

Emmett Highland HOA

(3) Flags identified in Idaho Code § 55-115(6)(a) (U.S.A, state of Idaho, POW/MIA, and branch of U.S. armed forces) and maintains the most restrictive requirements of I.C. § 55- 115(6)(b) and the City of Emmett’s dark sky ordinance.

3. Boats, Campers, and Other Vehicles. No boats, trailers, tractors, recreational vehicles, (i.e., any trailers, campers, motor homes, automobile campers or similar vehicle or equipment) dilapidated, un-repaired, broken-down or unsightly vehicles, or similar equipment, off-road vehicles (ATVs or side-by-sides), motorcycles, snowmobiles, personal watercraft, commercial vehicles or trucks (working or non-working) greater than one ton in size shall regularly or as a matter of practice be parked or stored on any portion of the Property (including streets and driveways) for more than forty-eight (48) consecutive hours unless enclosed by a structure or screened from view in a manner approved, in writing, by the Committee. None of the previously identified items and no cars or trucks shall be parked on lawns or landscaped areas of the Property for any period of time.

4. Architectural Control. No improvements which will be visible above the ground or which will ultimately affect the visibility of any above ground improvement shall be built, erected, placed or materially altered, including without limitation, change of exterior colors or materials, on the Property or Building Lots, unless and until the building plans, specifications, and plot plan have been reviewed in advance by the Committee and the same have been approved by the Committee according to the Design Standards. The review and approval or disapproval may be based upon the following factors: design and style elements, mass and form, topography, setbacks, exterior color and materials, elevation variation to nearby lots, physical or artistic conformity to the terrain and the other improvements on the Property, which the Committee, in their reasonable discretion, deems relevant. Said requirements as to the approval of the architectural design shall apply only to the exterior appearance of the improvements. This Declaration is not intended to serve as authority for the Committee to control the interior layout of design of buildings except to the extent incidentally necessitated by use and size requirements. **The Architectural Review Application Form is available on the HOA management website, a copy is also included in this packet. See all the Architectural Design Standards here: <https://highlandidaho.com/wp-content/uploads/2021/01/Highland-PRO-Design-Standards-v.2021.01.04.pdf>**
