

Emmett Highland POA

Sent via email 9/28/2026 10:48 AM

Homeowners,

Please do not open any "Special Invitation" that seems to come from Rose Management or Emmett Highland HOA. This phishing hack has been going around for a couple of weeks and it looks like they got into one of our companies emails.

We have taken all necessary precautions and are confident that no personal information other than some email addresses were accessed. If you have any concerns or questions please feel free to call us at 208-519-8896.

Yours

Rosemary DeMond on behalf of
Emmett Highland Homeowners Association
