"Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Matthew 19:14

Every child is unique and we believe that success and growth come from encouragement and praise. We build every child's self-esteem, and nurture their natural strengths. A child see's the world around them with wonder and awe, we believe in encouraging their natural curiosity through hands on meaningful experiences.

Our teachers bring the lessons, excitement, creativity and enrichment to our camps. We are very blessed to have an amazing staff!
