What Our Client Says

Milen King

-Director of Operations, FAD inc.

Essence Global Consultants transformed our financial workflow. Their cloud-based solution gave us real-time visibility. It's rare to find a team that understands both local compliance and international expectations so fluently.

How We Work

We start by listening—understanding your business goals, current pain points, and regulatory context. Then we design a tailored, cloud-enabled financial infrastructure that brings clarity to your books and ensures timely, accurate compliance

With transparent access and a clear point of contact, you can focus on growing your business while we handle the numbers.

Our Service

✓ End to End Accounting

We take over your entire accounting function—from daily transaction recording and bank reconciliation to payable/receivable management, payroll processing, and monthly financial reporting

✓ Fractional CFO

Get high-level financial leadership without the cost of a full-time hire. Our Fractional CFO service provides strategic financial planning, cash flow forecasting, budgeting, and management reporting tailored to your growth stage

✓ Audit & Tax Consultancy

Navigate complex tax landscapes with confidence. We provide proactive advisory on income tax, sales tax, and withholding obligations, while also preparing you for smooth statutory audits
