Tampa Retreat for 2020

Who: Jackie and Dan Hanselman authors of [Silencing the Accuser](#), 3rd Edition and Valerie Williams

This international team teaches you how to break the power of generational iniquities and release generational blessings to your family. Freedom and transformation can be yours. Further information available at [God's Foundation Builders](#)

Where: [Bethany Retreat Center](#) in Lutz, FL.

When: July 10 - 12th from Friday morning at 10 am to Sunday at 4 pm

You are invited to participate in an intense time of impartation, strategy, and application in the Courts of Heaven. If your heart is humble, you will learn how to be effective in the Courts of Heaven as you discern your role, your authority, and apply the protocols of heaven for your family, church, and nation. The best part about operating in prayer from the Mercy Court of Heaven is that you are praying from the Courts of Heaven without the interference of darkness of this present age. I recommend that you fast and pray for this season of being set aside with the Lord. The schedule will be flexible as we follow the leading of the Holy Spirit balancing the large gatherings with small groups and quiet time.

Everyone needs to complete their DNA at possible sites Ancestry.com or 23 and Me. This information will assist you in fine tuning your personal work. We will focus on personal issues in the bloodline. Hopefully, you will begin to understand why you are not fulfilling your destiny. Everything you learn can be applied in prayer for you church, city, and nation.

If you plan on attending, please begin working *Silencing the Accuser* and watching the videos with corresponding teachings on the website. Those who register will participate in an organized zoom call to prepare you for this important time of transformation.
