

**A Message from Taco Chula:**

***Our Commitment to Quality Service***

**Dear Taco Fans,**

**We hope this message finds you well and safe. At Taco Chula we take immense pride in delivering exceptional food and service to our guests. However, we find it necessary to address a challenge we are currently facing.**

**As you know, we provide you with top-notch quality food and outstanding service. Unfortunately, due to unforeseen staffing shortages, we are experiencing difficulties in maintaining the level of service that you have come to expect from us.**

**We want to be completely transparent with you, our loyal guests. Today, 09/23/23, we find ourselves in a situation where we cannot guarantee the usual speed and efficiency that we strive for. We understand how frustrating this might be, and we sincerely apologize for any inconvenience it may cause you.**

**Rest assured that this situation is temporary, and we are actively working to resolve it. The owners are diligently recruiting and training new staff members to ensure that we can return to delivering the exceptional service you deserve.**

**In the meantime, we want to express our gratitude for your continued support and patience during this challenging time.**

**Your satisfaction remains our top priority, and we are committed to making the necessary improvements to provide you with great quality food and service once again.**

**Thank you for being part of the Taco Chula family. We look forward to serving you again starting Tuesday, September 26th with our regular operating hours.**

**Warm regards,**

**Peter Tapia
